

Pupils Lead A Busy Life In Northside School

Reporter Finds That
"Tomorrow" Will Be
In Good Hands

Scarsdale and Sherwood are not the only places where houses are being built in Arlington Heights. There is no \$18,000 home that is creating more interest among the coming generation than a two room apartment that is under construction in the kindergarten of the north school. It is being built under the cooperative plan, the workmen comprise over fifty of the little tots who call it "their house."

The design and architectural style of the living room and kitchen were selected by vote of the children, themselves. All of the nailing, papering and construction of furniture is being done by the youthful builders. The hinges may not be very true but they were carefully measured and are solely the work of the children. Adopting a common wall paper design, individual children drew sectional parts of the decoration, which were in turn pasted to the walls. Card-board sink and faucets add to the reality.

Children of the first grade are equally enthusiastic over the railroad train that they are constructing and on which they expect to take some long trips. They have utilized a barrel for the boiler of the engine and basket covers have been strengthened into engine wheels.

Second grade pupils constructed an entire farm of their own last week from a real windmill and farm buildings to fields. They were all farmers last Friday and dramatized life among the cows, hogs, poultry, growing grain.

Boat transportation has held the attention of the third grade and drawings of boats of all sizes and kinds with steam up and ready to sail, are to be seen about the room. Wednesday these children were treated to a movie on transportation that showed the birth of rivers and lakes and purpose of water transportation. Next week they will be among the Indians in the Arlington Heights of yesterday.

Being portrayed on the walls of the fourth grade room. With historic pictures the children have attempted to reproduce the appearance of Arlington of sixty years ago—and they have done a good job, even to the reproduction in color of "old faithful" the first Arlington Heights fire engine.

Lessons in history and geography are being taught in the fifth grade which is divided into two groups. One has reproduced the early New England life on one side of the room, while the other group has painted on the opposite wall, the busy factory towns of today's New England.

Supt. C. V. Baker personally conducted the tour of the building, which culminated in the sixth grade where examples of art and literature were displayed. Mr. Baker is rather proud of the progress that the art classes have been making and he has a right to be.

The reporter who made the above tour left the building convinced that this is not such a bad world after all. New teaching methods are giving the coming generation a head start over that enjoyed by their dads and mothers. The training they are receiving are going to enable them to run this world a whole lot better than their dads.

High School Buys Land For 1-4 Mile Track

The board of education of the Arlington Heights township high school has purchased an acre of land at the north end of the athletic field and had the fence moved back to include all land belonging to the school district.

The purchase was necessary to make the field large enough to provide for the laying out of a quarter-mile circular track after the parking space was taken off the south end of the field.

The district has owned a narrow strip of land beyond the fence and by acquiring the added acre, have been able to square up the sides of the property and enclose it all inside the athletic field fence.

As soon as funds can be found it is hoped that a circular track can be started so that Arlington high school track teams will have a place to practice as well as to meet with other schools.

Attend State Meeting At Springfield This Week

Wm. Luehring, superintendent of Arlington Heights Water Works and Paul Purcell, superintendent from Barrington attended the annual meeting of water works superintendents held at Springfield Wednesday and Thursday.

Fred Tesch and Wm. Luehring represented the Arlington Heights fire department last week at the state convention held in Kankakee

ELMER CRANE
Mr. Elmer Crane who has been a resident of Arlington Heights for the past 36 years, is the new American Legion Commander and was installed into office in impressive ceremonies Saturday evening.

Arlington Hi New Gym Nears Completion

Work on Arlington Heights new gymnasium has progressed to such a point that an excellent idea can be obtained as to its appearance when it will be opened to the public. Half of the maple flooring has been laid. Two of the basketball backstops are in place. Heating and ventilating equipment is being installed. The balcony over the rear entrance is ready for installation of chairs, which will be formerly used in the old auditorium.

The seating arrangement of the main floor of the new gym will be folding bleachers, seating 300 on each side. The balcony will seat 200. Five hundred chairs can be placed on the floor for use for entertainments.

The gym is expected to be completed by December 1. At the present time no definite plans for a house warming or dedication have been made by the high school board.

Dedicate New Police Radio Station WSCI

The formal dedication of the new highway police radio station WSCI occurred Thursday, Oct. 26, at 2 p. m. at the Morton Grove Cook County highway police station, Milwaukee Ave. and Ballard road.

The establishment of WSCI with two way radio sets in the sheriff's cars operating out of that station keeps all officers in constant touch with the state and is expected to increase the efficiency of the department. The radio waves have a radius of fifty miles. Additional radio stations are expected to be erected at the Homewood and Willow Springs police headquarters. The cost of a tower and necessary equipment is \$10,000.

1934 Tax Refund Will Be Small In Country Towns

The big million dollar refund on 1934 taxes dwindles down to a mere trickle as far as it affects the country towns.

The big protests on the 1934 taxes were made by Chicago taxpayers who were protesting the school, city and sanitary district rates.

And it is the reduction in those rates that makes the city protests worth while.

In the country towns only the forest preserve and county rates (both small) were affected and a man would have had to have had a huge tax bill for his refund to even pay his expenses to make his claim to the states attorneys office.

So the big million dollar headline splurge when reduced to the terms of a country town tax bill hardly amounted to a thing.

A new law passed at the last general session of the legislature, will give any reduction granted on a tax levy to all persons affected so there will be no more favored objects at the expense of the little fellow.

Sugar Beet Growers Start Deliveries; Will Net Good Returns

Growers of sugar beets are making deliveries at Arlington Heights, Mt. Prospect and Bensenville. E. F. Schoppe of Bensenville, who has charge of the contracting in this territory, reports that the beets are showing sugar content of 16%, which is much greater than last year and means increased prices for the growers. Due to differential in freight rates, only a small amount of beets are shipped from Arlington Heights. Shipments are made to the Lake Shore Sugar Co., Holland, Mich. There will be over seven thousand tons.

Install Officers Of Legion and Auxiliary

Dinner and Dancing
Complete Colorful
Evening for Guests

At 7:15 o'clock Saturday evening, October 21, Merle Guit Post No. 208, the American Legion and Merle Guit Unit No. 208, the American Legion Auxiliary and their guests held their joint installation services at Simons', Rand and Euclid rds., where a bounteous turkey dinner was served preceding the ceremonies.

Following the dinner, Mrs. May Wisersky, retiring president of the auxiliary, presented several distinguished guests, after which the installing sergeant-at-arms, Mrs. Jeanette Pecchia, who is the 9th District Director, and the installing officer, Mrs. May Duckett, past Cook county president, conducted the installation service, for the new auxiliary officers, who are as follows:

Iva Jones—President.
Violet Rector—First Vice President.
Thelma Carroll—Second Vice President.
Fannie May—Treasurer.
Dorothy Neubauer—Secretary.
Maude K. Parker—Chaplain.
Millie Russell—Historian.
Doris Palmer—Sergeant-at-Arms.

At the close of the Auxiliary installation service, Mrs. Wisersky was presented with a past president's pin by Mrs. Pecchia and Mrs. Jones was presented with a gavel by Mrs. Violet Rector, which was presented to the Occupational Therapy department of the Elgin hospital. A short talk was given by Mrs. Ethel Schlupp, who is department treasurer.

Retiring Commander Herman Baumann introduced several distinguished guests at the beginning of the Legion services, and then presented the installing officer, Joseph L. O'Brien, 9th District Commander, and Delmar R. Rippey, Past Commander, who served as installing sergeant-at-arms, with V. I. Pecchia, 9th district Jr. Vice-Commander, acting as his assistant. The following men were then installed into the office of the American Legion, and will conduct the affairs of that organization for the coming year.

Elmer W. Crane—Commander.
Paul F. Carroll—Sr. Vice Commander.
Clarence Stadler—Jr. Vice Commander.
Miles H. Burpee—Adjutant.
Harvey A. Daggett—Finance Officer.

Herman H. Baumann, P. C.—Chaplain.
Claude J. Williams—Historian.
George E. Palmer, P. C.—Sergeant-at-Arms.

The services of both Legion and Auxiliary were most impressive and were held before the stage which was attractively decorated for the occasion with fall flowers. This occasion always a colorful and joyous one, was made complete with the presentation of bouquets of flowers by American Legion Commander Crane, to the retiring and incoming presidents of the Auxiliary, and Legion neckties, to the installing officers, and the speaker of the evening, Past Dept. Commander Charles C. Kapschull, who gave a splendid address on "Americanism."

At the close of the program the floor was cleared and dancing was enjoyed to orchestra music for the remainder of the evening.

Members of Merle Guit Post turned out in large numbers Monday evening as a welcome to their new commander, Elmer W. Crane, who more than met the expectations of his comrades who had elected him to the high office.

Start New Building Development South Of Arlington Heights

Arlington Heights has still another building development on its hands, which means increased interest in the town, and many new families in the Arlington trading area.

Country Home Development Co., represented by G. F. Anderson announced this week that its firm has acquired 100 lots in the territory south of Central rd., east of Arlington Heights rd. and intended to build a hundred homes thereon, selling between \$3,150 and \$4,150.

The first home has been completed and has been open for exhibition as a model home. The homes have basement, furnace heat, running water, etc. As the property is unincorporated, taxes are low, explained Mr. G. F. Anderson.

A CORRECTION

The story published last week in the Herald regarding the practice of the general public in leaving bonfires unattended was not written as a reprimand to any particular citizen. The fire call last Wednesday was made by a neighbor when the fire, caused by a rubbish burner, appeared out of control. The family had the fire extinguished before the arrival of the fire department. The purpose of the story was as a bit of safety-first propaganda and as a general warning to the public, and not directed against any one person.

\$800 Is Goal Set For Scout Drive

Citizens of Scarsdale and Stonegate have completed their subscriptions to Arlington Heights scout fund, making an excellent showing—something for the other sections of the town to shoot at. A goal of \$800 has been set by the committee, of which \$200 is to go towards the new Dan Beard camp near Wheeling.

The committee feels confident that the whole \$800 will be subscribed if the public realizes how badly it is needed if scoutcraft is to continue to live in Arlington. "The youth of other worlds," states Mr. Close, general chairman, "are faced with military training to make them gun fodder. In America scoutcraft is teaching our youth to the right way of living. Surely Arlington Heights parents will lend their financial aid to the latter cause."

Pres. Carlson Trophy Race Nears Close

Interest of Boys and
Girls of Grade Schools
At a White Heat

For the past several weeks the boys and girls of grades 4, 5 and 6 of the Arlington Heights public schools have been enthusiastic over the outcome of the fall baseball schedule. The presentation to the school of a handsome trophy by N. A. Carlson, president of the Board of Education, has served to arouse the interest almost to a fighting pitch. Each room in grades 4, 5 and 6 has two teams, one composed of the boys and one of the girls. The teams of the southside school have won nine games to six games for the northside. The 5th grade girls is the only team that is undefeated and they are talking about issuing a challenge against the boys team.

The schedule has been arranged so that weekly games are played, alternating between the boys and the girls. The schedule of games played to date and the results are as follows:

Sept. 20 Boys' Games
4th, South, 26; North, 25.
5th, South, 10; North, 12.
6th, South, 15; North, 11.
Sept. 27, Girls' Games
4th, South, 18; North, 12.
5th, South, 12; North, 18.
6th, South, 16; North, 5.
October 4 Boys' Games
4th, South, 24; North, 8.
5th, South, 8; North, 16.
6th, South, 13; North, 12.
October 11 Girls' Games
4th, South, 6; North, 2.
5th, South, 9; North, 27.
6th, South, 9; North, 7.
October 18 Boys' Games
4th, South, 12; North, 24.
5th, South, 9; North, 12.
6th, South, 3; North, 19.
Won by south side school, 9.
Won by north side school, 6.

Hallowe'en Party Tuesday

Hallowe'en will have a different meaning next Tuesday for the sixty-five boys of Cub Pack 232. The Parent-Teachers association is sponsoring a big party at the home of Jos. J. Jirak with a weenie roast, camp fire, apple bobbing, tug of war, culminating in a campfire with stories.

Members of the pack are asked to meet at the park band stand at 4:30 o'clock when they will depart in a body for the festivities.

Members of the P.-T. committee having charge of the event are Jos. J. Jirak, A. G. Cubley, Robt. Blackburn, Leo. A. Des Jardins, Geo. H. Beach and Cliff Schabanski, cubmaster.

The old paper drive being conducted by the pack will end next week. All people having old papers are asked to call M. Schabanski, phone 317-R.

Enrollment In County Schools Is Increased

Noble J. Puffer, County Supt. of Schools, this week announced that the total enrollment, both high school and elementary schools in Cook county for the school year 1939-40 was 101,850 pupils. This is a slight increase over the corresponding year in the corresponding registration for 1938-39 was 101,155 pupils.

Mr. Puffer pointed out that there was a slight increase in the high school enrollment, the exact figure being 693 pupils, and a decrease in elementary pupil enrollment of 1,189. The County Superintendent stated that in his opinion the decrease in enrollment, in spite of a good deal of activity in the development of subdivisions in the northwestern, western and southwestern part of the county, was due to a considerable decrease in elementary enrollment in some

Service Groups Join in Armistice Day Program

Armistice Day exercises, sponsored by the American Legion, Veterans of Foreign Wars and their Auxiliaries will be held Saturday morning, Nov. 11, at 11 a. m. at the Flag Pole park in the loop of Arlington Heights, just south of the C&N.W. Ry tracks.

The parade will form at the Legion home at 10 a. m. and move over a line of march to be announced later, from there to the place, where the exercises are to be held.

Units desiring to participate in the parade can make their arrangements by calling C. Leslie Griffith, Americanism chairman of the post, (phones 110 or 117) or Delmar R. Rippey, office of the day, phone 42-M.

During the exercises the American Legion will present a flag to the north side grade school for outside use.

The Americanism chairman will provide a good program so come out and join in the exercises.

After the exercises the rehabilitation chairman of the post and of the auxiliary, Comrade George E. Jorgensen and Mrs. Violet Rector, will lead a pilgrimage to Elgin State hospital to distribute cigarettes, etc., to the veterans, "lest we forget."

Audio Visual Education Added Heights Schools

The Parent-Teacher Association has made possible the incorporation of the Audio Visual Education Council's program in the Arlington Heights Public Schools. This service, initiated by Mr. Puffer's office, provides the minimum program of visual aid materials for all subscribers. At the last meeting, the P.-T. A. voted \$50.00 in payment for this service.

The program for November will include the following pictures: Shell Fishing—5th grade.
An Airplane Trip—2nd grade.
Nervous System—8th grade.
From Wheat to Bread—8th grade.

Corn—8th grade.
Navajo Children—1st, 2nd and 3rd grades.
Our Earth—4th, 6th, 7th and 8th grades.
The Heart and Circulation—8th grade.
The Old South—7th and 8th grades.
Iron Ore to Pig Iron—5th grade.
Hungary—6th grade.
Lumbering in the Pacific Northwest—7th and 8th grades.

All of the films are to be shown as a part of the regular classroom procedure. An effort has been made to secure only films which will aid the teacher in accomplishing the educational objectives for the grade and unit. There will be no charge for seeing any of these pictures.

Mr. Vanderbeek, principal of the North school, is in charge of the visual education program. The children of the public schools have purchased sound movie equipment, using funds secured through the giving of an operetta and various entertainments as a down payment. The balance is paid off monthly from the receipts of a movie given each month after school.

Films are secured from time to time from the Federal Departments of Agriculture, Interior, and Justice, as well as from various industrial concerns to supplement the basic program provided by the Audio Visual Education Council.

Lutheran Pastors Attend Conference At Hampshire

Pastors from 64 Lutheran churches attended their fall pastoral conference at Hampshire Tuesday and Wednesday of this week. Rev. Schmidtke is pastor of the church which acted as host for the gathering. Rev. Fricke represented St. Peters church, Arlington Heights.

Relief Budgets In Wheeling Get Second Cut

Increase in Case Load
Forces Sup. Klehm To
Make Reduction

Persons receiving relief through the office of Gilbert Klehm, Wheeling township supervisor, will be asked to take a second cut of five per cent for November, according to announcement made by Mr. Klehm. The new cut means that relief will be 90 per cent of the full quota, compared to the 65 per cent that is effective in Chicago. "Those on relief in Wheeling township," states Mr. Klehm, "are far better off than those who are in Chicago. An increase in case load forced the reduction. The cancellation of a lot of WPA projects brought many new applications for relief, in Wheeling but I am only hopeful that further reductions will not be necessary."

Big Drop In Palatine Relief Load
It may sound fantastic but Supervisor John Meyer Palatine was able to reduce his case load during August and September from fifty-one families to sixteen families. Since the first of October there has been some increase, due to WPA layoffs but the Palatine relief office has not had to make any reductions in budgets. "It could not be done," explains Clerk Larry Inkster, "because the Palatine budget has always been lower than many other townships and the families could hardly exist on smaller amounts."

The phenomenal reduction from 51 families to 16 was partly accomplished by the insistence that those on relief exhaust all other resources before applying for aid. Able bodied persons were told they must find private employment and many of them did so.

Mt. Prospect Cop Gets His Man

A sequel to the story of the theft of a parked car from the Northwestern depot at Mt. Prospect announced in last week's paper was written this week when Chief George Wittenberg solved the mystery and arrested on Tuesday Chester Kucinski, 24, 2751 Chicago Ave., and Walter Kruse, 42, 3800 N. St. Louis Ave., Chicago.

The two men were employed on a Mt. Prospect project. When they arrived on the project Oct. 17 they were not allowed to go to work on account of their intoxicated condition. Failing to find a ride home they appropriated the car of V. I. Shepherd, Prospect Heights, parked near the depot.

Traveling south on Elmhurst road they lost control of the car and wrecked it.
Chief Wittenberg during his investigation learned that two WPA workers had not been allowed to go to work that morning. Further inquiries convinced him that he was on the right track and he had warrants for their arrest when they reported for work Tuesday morning. The men at first denied the accusation, although caps left in the car were of the right size. On suggestion of finger prints, they confessed and later that day, when arraigned before Judge E. J. Ahmer signed confessions and were bound over to the grand jury.

After a night in the Arlington Heights jail they were taken to the county jail.

Merle Guild Post Plans 9th Annual Armistice Day Ball

Merle Guild Post No. 208, The American Legion, has arranged for the Ninth Annual Armistice Day Ball to be held at the Itasca Country Club, Saturday evening, November 11, 1939.

Dancing will commence at 9:30 p. m. and continue until the small hours of the morning.

Tickets for the ball may be obtained from any member of the Dance committee consisting of Jack (P. L.) May, chairman; George E. Jorgensen, Paul F. Carroll, Miles H. Burpee, Dr. James R. Hayden, Robert C. Swanson and Elmer W. Crane.

The committee promise a good time for everyone and it is their aim to make this affair one long to be remembered.

The entire Club facilities will be for the exclusive use of the patrons of this ball and cooperation for the success of this event is earnestly solicited.

For tickets or information phone any member of the committee and they will be glad to accommodate you promptly.

Final Festival Report Ready Next Week

N. M. Lattof, general chairman of the Lions club and Trade and Civic association joint committee, which handled the recent fall festival will be able to issue a final report by the end of this week. An auditing committee met Wednesday evening to check ticket sales and the other financial transactions. A mimeograph summary report will be mailed to members of the association and be formally presented to the Lions club at its meeting Nov. 7.

IVA JONES
Mrs. Jones an active member in the Auxiliary since residing in Arlington Heights became the new Auxiliary president at the Joint Installation services Saturday evening.

Arlington New Police Car In Service

Motorized equipment of Arlington Heights police department now bears the 1940 label. The new Buick car arrived this week and was immediately placed in service. A demonstration of the new traffic eye was given the department last week. The traffic-eye takes a photographic record of the speed of the autoist, his license plate, number and the zone in which the violation occurred. The same means can be used in making a record of illegal parking and disregard of safety first rules on the part of school pupils, and cataloguing other violations. Such pictures are legal evidence in any court.

Several violators, when informed of the pictorial evidence confronting them immediately threw their cases on the mercy of the court.

Harold Willson Takes Over Sale Of Gieseke Land

Local Realty Firm
Given Exclusive
Sale Rights

Fred W. Gieseke announced this week the appointment of Harold Willson, local real estate operator, for all remaining lots in Arlington Addition, effective immediately.

Mr. Gieseke stated that he felt the interests of purchasers and future residents of Arlington Heights would be better served by the local real estate fraternity, rather than by outside interests not familiar with local conditions and values.

Mr. Willson, as sales representative of Mr. Gieseke, is offering sales contracts through all Arlington real estate firms.

Arlington Addition is one of the most outstanding close in subdivisions in Arlington Heights, each lot, being at least 50 by 132 with all improvements including streets, sewer, water, gas and electricity in and paid. Restrictions call for a home of not less than \$6000 in value.

Willson when interviewed stated that in his opinion the property offered the average home buyer a very unusual opportunity and there being a splendid choice of locations between South street, Central road, State road and Mitchell street, all prices have been revised to the advantage of the purchaser.

The property has the approval of the FHA and arrangements have been made through the Republic Realty Mortgage Corp. of Chicago to finance homes for purchasers on a minimum cost schedule, with monthly payments as low as \$46.32, including taxes and insurance.

Willson states that no family need pay rent as the down payment for a new home, designed and custom built, according to owner's desires requires a down payment of less than one would ordinarily pay for a used automobile.

Arrangements have been made by Willson with Bjork, Inc., who has more than 30 years' home construction and building experience, to closely cooperate with him for the benefit of prospective home owners. This company has one of the finest building organizations in this section of Cook county, with an enviable reputation of not only building good homes but because of their past purchasing power of doing it very economically.

Five homes are now being completed by them in this section in addition to the display home at 532 S. State road, which is open to the public daily. A cordial invitation is extended to all to inspect it.

Palatine Alderman Moves To Arlington Heights

E. R. Prout, Palatine alderman, has moved from that village to 585 Beverly Lane, Scarsdale, Arlington Heights.
S. F. Pepper, Chicago, has moved into one of the new homes he has erected on So. Dunton.
Mrs. Fisher has moved from 208 W. Fremont to Chicago.

Peat Fires Auto Hazard At Palatine

Fog and Smoke
Black-out Old
N-W Highway

Fifteen auto accidents have occurred the past week on the old Northwest highway west of Palatine adjoining the Gaare Oil Co. gas station. Following three accidents Thursday night a number of cars remained in the field, off the roadway, until morning.

The black-out was so bad that evening that lights on the Gaare Oil company station were not discernible from passing cars. Appeals to local garage men to aid cars in distress could not be answered as headlights were of no avail.

Appeals to county and state police finally resulted in orders being received by local employees of the highway department directing them to set out danger flares a few hundred feet near dangerous portions of the road. Boys on foot made extra money directing cars through the blackout.

Woman Injured
Miss Francis Kramer, 234 N-W highway, Barrington was taken to the Palatine Community hospital about 10 p. m. when the car driven by Albert Strsberger, Fox River Grove was hit by a car driven by H. Lumasky and he in turn by C. Barrett, of Chicago. Miss Kramer sustained only minor injuries.

It is estimated that 80 acres are affected in the Palatine tract. The land is owned by Dr. R. M. Gibbs and Ed. Fedde. In some places the ground has burned out as much as eight feet deep. It is dangerous for pedestrians to attempt to cross the patch. In some instances, firm ground is honeycombed with peat ashes. Draft is provided by animal holes in the fields.

Autoists have a bad time, but the householders of Palatine are having a much worse experience. Even with the windows closed, peat smoke invades the homes and it is with difficulty that many can sleep at night. With a slight wind during the day, the peat smoke is not bad.

A small area of peat is also burning east of Stonegate, Arlington Heights, adjoining the N-W highway.

Achievement Meeting At Forest View

Unusual Exhibition Of
Craftwork A Surprise
To School Patrons

Thursday night, October 19, the Achievement club of Forest View school, district 56, held its annual meeting open to the public. It was very well attended by the parents and friends of the members which was more than encouraging to the pupils, as well as to their teacher, Mrs. Marie P. Ackerman.

The meeting was called to order by its president, Caryl Tagge, and from then on the evening was in charge of the pupils. The manner in which they conducted themselves filled many parents with great pride, to know that perhaps they have a future mayor, governor, or even a president in the making.

The business part was conducted by the entire school singing two songs, "God Bless America" and "Now The Day is Over."

A second part of the program consisted of a showing of three reels of movies, including, "Admiral Byrd's Second Expedition to the South Pole." This made a great impression on the pupils in that when the "Bookmobile" arrived early the next morning, it was searched for books concerning Admiral Byrd.

These movies were shown through the courtesy of the Sterling Oil Company. At the conclusion of the entertainment the attention of the audience was called to the club's slogan, "Learn To Do by Doing," and were invited to view a very interesting exhibit in the basement. This included over a hundred articles and posters made by children of the school. It consisted of dresses, blouses, housecoats made by the girls and model planes, boats and bird houses constructed by the boys. Then there were also numerous articles such as baskets, picture frames, mats, vanity boxes and many other practical items which the children had enjoyed making.

As the patrons left for home many expressions of praise were given by visiting teachers and especially Mr. G. C. Butler, assistant superintendent of schools. He declared it was one of the best he had seen in a one-room rural school in his division. It was a real achievement. A credit to the Superior school, a rating which Forest View

Sieburg Drug Co., The Rexall Store.

Palatine Girl Becomes Bride of Roselle Youth In Pretty Ceremony

A beautiful candle light wedding service took place in West Northfield Lutheran church Saturday, Oct. 21, at 7:30 o'clock when Gladys Rateike, daughter of Mr. and Mrs. Paul Rateike of Palatine, became the bride of Harold Bernhart, son of Mr. and Mrs. Emil Bernhart of Roselle.

The Rev. Fechner gave a short address on the 23rd Psalm this being the bride's favorite text and also the bride's mother's favorite text as that day marked the 28th wedding anniversary of the bride's parents. The ceremony was performed by the Rev. Fechner.

Teacher Schmieg played the Lohengrin wedding march as the bride party entered the church. The bride, on the arm of her father, proceeded down the aisle and the candle lighted aisle and was met at the altar by the groom. She was a picture of loveliness attired in a beautiful gown of white tulle with a long train, a tulle veil of white net, a tiara of orange blossoms and carried a bouquet of call lilies.

Miss Bernice Rateike, sister of the bride, was maid of honor. She wore a blue tulle gown and carried yellow and white pompons. The bridesmaids were Misses Helga and Gladys Bernhart, sisters of the groom, and Esther Koepfen and Viola Mueller, cousins of the bride, all wore gowns of rose tulle and carried pink and white pompons. Each wore an old-fashioned cameo necklace, a gift of the bride.

Norman Fortmiller served his cousin as best man. Wilbert Kruse, Hubert Meier, Wilbert Rateike and Richard Speckman, served as ushers.

After congratulations and best wishes at the church a reception was held at Virginia Grove for 250 relatives and friends. The bride and groom left for a short honeymoon trip after which they will be at home in their flat in Roselle, which has been furnished by the groom and neatly arranged by the bride.

CARD OF THANKS

We wish to express our heartfelt thanks to all friends and neighbors for kindness and help in our time of sorrow and bereavement.

Mrs. Wm. Seiltz
Mr. and Mrs. Walter Seiltz

MANAGER DISAPPEARS

The service station at River rd. and North ave. has lost its night manager. Not only that, but various quantities of oil, prestone, cigarettes, and cash have also disappeared. It is suspected that both the man, Homer Weaver, and the goods have been missing since last Wednesday morning.

BARN, HOUSE BURN

Fire was discovered on the Karl Podstrupka property, Wolf rd. one-half mile south of Higgins rd. last Wednesday afternoon. The barn and house constituted the damage.

AFTER THE OPERATION

By C. W. Lussman of Sieburg Pharmacy

You are home from the hospital and the slow, difficult days of convalescence begin. Never have you needed courage and patience so much.

Rest is essential; sound, refreshing sleep; good, nourishing food; a quiet mind. And more—now you must rely upon the doctor's advice and obey his orders implicitly.

Take no medication unless he prescribes it. Advertised nostrums, the well meant advice of friends are not for you.

Perhaps a tonic is indicated, something to restore minerals to your system and stimulate the capricious appetite.

To be doubly sure that you are getting what the doctor orders, select a druggist who will fill the prescription in the manner necessary to bring about the desired results.

This is the 56th of a series of Editorial Advertisements appearing in this paper each week.

On 1 and 2, Hartmann's got two games from El Rand. Otto Krause got a 620 series; the first game he shot 257 and won himself the \$100.

On 3 and 4, Arlington Cafe won three closely fought games from the Arlington Elevators John Oltrogge bought a new pair of shoes, which helped him earn a 624 and also won the \$100 with 215. Herb Hammer did all right with a 610 for the Cafe team.

On 5 and 6, the going was rough for Gaare's, Stubbs's Tavern took them for two games, with only four men. The insurance man, John Duthorn was high with 615. John and Otto Krause are tied for high game of the season with that score.

Weekly Doghouse Club

J. Schultz—The one three pocket wasn't wide enough.

G. Winkelman—George said his shoulder was bothering him from carrying ice.

R. Becker—You can't get any pins thinking you got a greins mover in front of you, the ball isn't that wide, Romo.

G. Nelson—You better move back to the far "Ozzie." Since you moved in town you come too late, you don't get your practice game in, maybe it was that New York trip you made.

R. Dieball—Ray was all over the alley. He thought he was driving Gieseke's truck from one side of the street to the other side delivering orders.

R. Kehe—Dixie wasn't going so good, so he put his finger between two bowling balls and hurt his finger. After while he had an alibi that his finger was sore. All kidding aside, Dixie, you tried hard.

KEEP YOUR RED CROSS READY

THIS striking painting of a Red Cross nurse keeping the symbol of mercy flying is the keynote of the 1939 appeal for membership in the American Red Cross. Faced with the need for strengthening daily Red Cross services in 3,700 Chapters, and with its chartered obligation to aid in some measure in meeting the distress of the men, women and children refugees in war-torn countries across the sea, the Red Cross asks every man and woman in the

Before and After
Before life became such a complex problem, men used to worry over the hereafter.

Artisan Wells Long Known
Artisan wells were known at Thebes 2,000 years before the Christian era.

Arlington

Mrs. Engelking entertained the Sunshine club Wednesday. They meet twice a month and have merry times "rain or shine."

Mr. and Mrs. W. G. Franke have gone on a trip south combining business and pleasure.

Dr. and Mrs. H. A. Kossock entertained Dr. and Mrs. Durk Lay from Oklahoma Sunday. Dr. Lay has ministered in the missions for American Indians 28 years in Arizona, the past two years in Oklahoma, and with his capable wife has made a record of service in earnest work, spiritual and physical, with the members of their parishes. Dr. Lay was speaker in the morning service Sunday and gave his audience a sermon they will ponder and long remember, candid and fitted to present day needs in all churches.

Miss Margaret C. Telfor from Kenosha called on Arlington Heights friends Saturday. She was accompanied by her cousin, Miss Ella Robinson, who spent the summer in Canada.

Mrs. Mary Cruickshank went to Oak Park recently to see if the hero of "68th anniversary of the fire of 1871," was a lad who spent vacations on his grand father's Lake county farm and she found that Mr. Jacob J. Schaller is that person. When he was 9 years old he delivered milk for Mrs. O'Leary every evening in tin pails to fifteen neighboring families. He testifies that "bossy" did kick over the lantern that started the fire. The Schaller home was near Mrs. O'Leary's home and they all had to flee for safety. He gives a vivid story of that historic event.

Mr. and Mrs. Wm. Earley and niece, Dolores Beaubien of Newburgh, N. Y., are visiting Mrs. Earley's sister, Mrs. H. F. Hammerl on Haddon Ave.

Miss Marie Hammerl celebrated her 15th birthday at her home Monday. She received many beautiful and useful gifts.

Mr. and Mrs. Elmer Crane and Herman Bauman accompanied Mrs. Oswald F. Smith to Hines hospital where Mr. Smith has undergone a major operation. They found him much improved.

Dr. and Mrs. H. G. Dunn motored to Sioux City, Iowa, last week, where they visited his mother.

IT'S TRUE!

By Wiley Padan

New York, N. Y.—"IT'S TRUE!" that Emperor Haile Selassie was an interested spectator while "Goodbye, Mr. Chips" was being filmed," says Wiley Padan. "Sam Wood, director of this newest of M-G-M's British pictures, once tried to dig his fortune in the Alaskan gold fields. . . A cricket match, as of 1870, is a feature in 'Goodbye, Mr. Chips'. The sequence was filmed on location at Repton School in picturesque Derbyshire."

At The Arlington, Sunday, Monday and Tuesday

Mrs. Elizabeth Guild, who has been ill is now convalescing in her home, N. Vail Ave.

Mrs. McNeil and Miss Linbaugh, N. Dunton, visited relatives in the city Sunday.

Mrs. Plumly went to Ravenswood Sunday and attended the "Homecoming" program. She accompanied her brother, Mr. Shirley, and family from Chicago.

Mr. Melvin Anderson went to the city last week to attend the funeral of an aunt.

Mrs. John Berchold, W. Wing St., is anxiously awaiting word from her grand daughter, Ella Harmaning of Palatine, who is a patient in the Presbyterian hospital, under observation, for a lingering illness.

Mrs. Mary Cruickshank attended the funeral of an old neighbor, Monday in the city, Mr. Rouse, who was a P. O. employee before his retirement.

This is a good time of the year to prepare your car for winter driving. Winkelman's Tire & Battery Shop have complete facilities for this work at reasonable prices.

Mrs. Ben Koepen and daughter, Virginia, have been quite ill during the past week.

Mr. and Mrs. Paul Busse from the city came out Sunday to visit his mother, Mrs. C. C. Schwartz and family.

Miss Alma Nimann from the Rest Home went to Clinton, Wis., Wednesday to attend celebration of her parents wedding anniversary.

Mr. and Mrs. Arthur Bray's new home in N. Highland Ave., will soon be ready for occupancy. The family residence, 710 N. Highland is being remodeled and improved.

Mr. and Mrs. H. F. Ackley had a pleasant surprise Tuesday when their niece, Miss Helen Wing and friend, Mr. Bert Riser from Prophetstown came to visit. Mr. Riser attended a convention in the city and Miss Wing spent the day with her aunt.

Lecture On Thrift Planned For Woman's Club Meeting

The next meeting of the Arlington Heights Woman's club will be held on Wednesday afternoon, November 1 in the Field House at 2:30 p. m.

The program for the afternoon is to be in the form of an illustrated lecture on "The Blind Spot of Science," which will be given under the auspices of the Investor's Syndicate of which Mr. A. Lawrence Brown is the Educational Director.

The lecture has to do with the importance of learning how to budget and save money, which Mr. Brown says is the "blind spot of science" and is presented with colored slide films.

The many organizations which have heard this program speak of it most highly, as a subject of vital interest and one that is entertaining as well. It has been presented before schools, business organizations, College groups and many civic organizations as well as Women's clubs.

If you are interested in learning what causes depressions, and how they can be cured, and how we can protect ourselves against them, come and hear this lecture, for Mr. Brown in his pictorial presentation shows how, and includes colored stereopticon slides, graphs, stories, and anecdotes which entertain and instruct any audience of students or adults.

Becomes Bride In Simple Ceremony

Miss Rose S. Tonne, daughter of Mrs. Louise Tonne, Lake Zurich, and Mr. Eliza Hard Ingles, son of Mr. and Mrs. Edgar Andrews, Mulberry Grove, Ill., were quietly married in the Presbyterian parsonage by Rev. H. A. Kossack, at 3:30 o'clock Friday afternoon. Mr. and Mrs. Lester Dobbins were witnesses. Luncheon followed at Fischer's tea room, Park Ridge, following which Mr. and Mrs. Ingles left for Mulberry Grove.

The bride has been employed at the Herald office a number of years and has a personal, or telephone acquaintance with hundreds of readers of the Herald publications.

We Thank You

The Friendly Circle of the St. John's Evangelical church expresses its gratitude to the merchant of Arlington Heights for the generous contributions which they made to its bazaar, held on Friday and Saturday of last week.

The hearty cooperation of many friends in Arlington Heights and surrounding territory was most gratifying and very much appreciated.

The beautiful hand crocheted lace spread, which was given as a door prize at the bazaar, was won by Mrs. George Schimming, the lovely quilt was won by Mrs. Laverne Nicolich of Chicago, other lucky winners of door prizes were Mrs. Bernice Runge, Mrs. William Allen, Mrs. Clara Stonefield, Mrs. Elvina Wille, Marian Geisen and Mrs. Ida Graft.

At the close of the bazaar Saturday evening, the members of the Friendly Circle and their husbands enjoyed a party in honor of the birthdays of Rev. and Mrs. Kalwitz. Mrs. Donald C. Gieske, Chairman of the Bazaar Committee.

Blanket Club To Show Goods November 3

Members of the Fidelis Circle Blanket club of the Methodist church are asked to attend the only showing of merchandise which will be held this year on November 3, in the Methodist church from 10 a. m. until 5 p. m. and from 7 p. m. to 9 p. m. in the evening.

At this time it will be possible to see the various blankets, bedspreads, silverware, linen, curtains, and numerous other articles which may be purchased through the club. There will be no other showing and merchandise from that date on will have to be ordered through the catalogue. Mark Nov. 3 on your calendar.

Missionaries Visit Young People's Group

Rev. and Mrs. Leigh, Presbyterian missionaries among the Sioux Indians in South Dakota, attended and gave interesting talks at the Christian Endeavor meeting Sunday. The Leigh's told of many interesting incidents and facts about the Indians, telling how they live, are taught, and how they worship.

The Young People's Christian Endeavor society was greatly honored in having them present at their meeting. Next Sunday at 6:30 p. m., the topic of the Christian Endeavor meeting will be "Getting Along With Older People." The leader will be Miss Hazel Sauer. This promises to be an interesting meeting for both young and old. Everyone is urged to attend this meeting and every other Christian Endeavor meeting.

Dorcas Aid Plans Bazaar and Supper

The Dorcas Aid of the St. Peter's Lutheran church are holding another of their well known dinners and bazaars on Halloween evening, October 31.

Dinner will be served from 5:30 on and is to be a baked ham dinner at 50c a plate, 35c for children. Many beautiful and useful articles will be on sale at the bazaar which will be held in conjunction with the dinner.

Marie Dix Guest at Linen Shower

Miss Marie Dix who is to become the bride of Harold Panzer on Saturday, October 28, at the Presbyterian church at 4:30, was guest of honor at a linen shower given by Mrs. Frances Moore and Miss Marjory Annen last Tuesday evening at the home of Mrs. Moore. The evening was spent in playing games, and the table at which the refreshments were served was attractively decorated in pink and white.

Arlington Couple Wed In Omaha

Mrs. Edith Hoyt and Carl J. Kerber, both of Arlington Heights, were united in marriage at Omaha, Nebraska, October 12. Mrs. Hoyt's niece and husband, Mr. and Mrs. Walter Markey, witnessed the ceremony that took place at the Grace Baptist church. The Rev. Lindquist officiating. Mr. and Mrs. Kerber are residing at 408 S. Mitchell st., Arlington Heights.

Old Peoples' Home Auxiliary To Meet

The members of the auxiliary of the Old Peoples' Home of Arlington Heights are holding a luncheon and afternoon meeting in the Old Peoples Home Friday of this week. The luncheon will be held at 12:30, followed by the meeting.

Club Calendar

Oct. 26—Welcome club card party and luncheon.

Nov. 10, Methodist church musicale, 8 p. m.

P.T. A. Plans Tea Thursday For Room Mothers

In order to bring about closer cooperation between the parents and the teachers in the public schools, each fall Room Mothers are appointed for each room of the schools by the president of the parent teacher association.

On Thursday afternoon at 3:30 these Room Mothers are to be the guests of the School Mother of the South School. Mrs. Schapanski and the North School Mother Mrs. Ben Helfers at a Room Mother's Tea, which will be held at the North school. Mrs. Rex Volz, president of the P.T.A., will explain the purpose and duties of Room Mothers, and other members of the board will tell of the work of their department of the P.T.A. The members of the Parent-Teacher board and the teachers of both schools, as well as Mr. Heimsoth, Mr. Martin, Mr. Heap, Mrs. Luning and Mrs. Oepfelin, will be present. A social time will be enjoyed, giving a splendid opportunity for the mothers and teachers to become acquainted.

The following members of the Parent-Teacher association have been appointed as Room Mothers: North School

Miss Bearse's kindergarten, a. m., Mrs. Henry J. Cusaden, kindergarten p. m., Mrs. W. C. Walters.

Miss Doris Clark's first grade, Mrs. T. F. Coleman.

Miss Kadel's 2nd grade, Mrs. W. Edward Fritz.

Miss Jensen's 3rd grade, Mrs. C. F. Groat.

Miss Margaret Clark's 4th grade, Mrs. Park N. Allen.

Miss Laughlin's 5th grade, Mrs. Harry T. Freymuth.

Miss Thompson's 6th grade, Mrs. Frank Rogers.

Mr. Gibas, 7th grade, Mrs. Albert Schmidt.

Mr. Anderson's 7th grade, Mrs. Harold G. Peters.

Miss Scott's 8th grade, Mrs. E. H. Beckman.

Mr. Vanderbeek's 8th grade, Mrs. Albert Otto.

South School

Miss Grothe's 1st grade, Mrs. W. G. Franke.

Miss Mildred Russel, 2nd grade, Miss Irene Russel's 3rd grade, Mrs. E. H. Neimeyer.

Miss Sapp's 4th grade, Mrs. Geo. Beach.

Miss Walk's 5th grade, Mrs. E. G. Williams.

Miss Paszotta's 6th grade, Mrs. Louis Henken.

'Evergreens' Is Subject At Garden Club

Mrs. L. L. Kunlien of the Hill Nurseries of Dundee, who spoke before the members of the local Garden club Wednesday of last week, gave some very valuable and interesting information on the care of evergreens. Mrs. Kunlien had with her a number of different varieties of evergreens, the Koster Blue Spruce, the Arizona Fir, Douglas Golden Arborvitae, the Vase Shaped-Prostrate Juniper, the Norway Spruce, the Pfizer Juniper, and the Douglas Fir, whose characteristics she described; she also explained the proper planting of the different varieties.

The important thing to remember in landscaping of any kind is to allow plenty of room for growth, and in planting evergreens, quantities of water must be used. Evergreens as well as other shrubs should be trimmed for symmetry and beauty.

Three evergreens were given by Hill's Nursery as door prizes and were won by Mr. Robert Palmer, Mr. Nathan Carlson and Mr. Lane. During the business meeting Mr. Martin Fehlman was elected as vice president to fill the vacancy left by Mr. Bates.

Several new members joined the club at this meeting, which was held in the North school auditorium.

Announce Engagement

Mr. and Mrs. Julius Precht announce the engagement of their daughter, Elenora, to Mr. James Speckmann.

The marriage will take place on Nov. 18 at 7:30 p. m., at St. John's Lutheran church of Elk Grove with Rev. Gehrs officiating. Miss Precht was given a bridal shower by her two sisters, Laura and Loretta at the bride's home. The bride to be received many beautiful and useful gifts for her new home.

Mr. and Mrs. Speckmann will make their future home in Chicago where the groom is employed.

Schellhases Are Parents Of Daughter

Rev. and Mrs. Reuben Schellhase are parents of an 8 lb. 7 ounce baby daughter born Thursday, October 19 in the Northwestern hospital in Des Plaines. The young daughter has been named Vivian Ruby.

Mr. & Mrs. Henry Malzahn Surprised On Twenty-fifth Wedding Anniversary

When Mr. and Mrs. Henry Malzahn of 38 No. Chestnut went to the home of their son, Ernst Malzahn of No. Highland ave., Saturday evening to enjoy a friendly game of cards, they little dreamed that thirty five of their friends and relatives would be gathered there to help them celebrate their twenty fifth wedding anniversary in a "big way."

The recreation room in the basement was the scene of much merriment as the guests of honor entertained to inspect a toy, only to find many friends ready to share a happy occasion with them. The evening was enjoyed playing games and Mr. and Mrs. Malzahn were presented with many gifts, appropriate for a Silver Wedding anniversary.

Mr. and Mrs. Malzahn were married in Arlington Heights twenty five years ago, in the St. Peter's Lutheran church with Rev. Noack performing the service and have made their home ever since in the home that Mr. Malzahn built at that time. Several members of the original wedding party attended the celebration.

The guests had come well fortified with good things to eat and at midnight a delightful supper was served by Mrs. Ernst Malzahn and other members of the party.

The young couple will reside at 1516 W. Touhy ave., in Park Ridge.

Halloween Party Planned At M. E. Board Meeting

Twenty three members of the board of the Methodist Sunday school met at the home of Mr. and Mrs. N. K. Barr Monday evening for a six-thirty pot luck dinner, and to make plans for the Halloween party, which will be given next Tuesday evening, October 31 from seven to nine p. m. for the members of the Sunday school. Over a hundred children are expected to appear in costume and masks for the occasion.

Mrs. B. G. Baxter and Mrs. I. D. Allison are two new members of the board, serving as teachers in the junior department.

Mrs. Pino To Talk At Mothers Club

The Mothers Club of the Methodist church will meet Wednesday evening, November 1, at the home of Mrs. N. K. Barr on S. Belmont. Mrs. Pino, the village nurse, will give a talk on "Health."

Fidelis Circle Hears Anderson

The Fidelis Circle of the Methodist church met Tuesday evening at the home of Mrs. Guy Baxter with Mrs. Paul Collins assisting the hostess.

Mr. Melvin Anderson, teacher in the public schools, gave a most interesting talk on his recent trip to Europe.

A social hour was enjoyed and the hostesses served refreshments.

Woman's Guild Of St. James To Meet Monday

The regular meeting of the St. James Catholic Woman's Guild will be held in the Music Room of St. James school Monday, October 30 at 8 p. m.

Following a short business meeting, a social program and refreshments in keeping with the Halloween spirit have been planned. All ladies of the parish are cordially invited to join the Guild members on Monday evening, for a "night of fun."

Campfire Tea at Mrs. Jarvis's

Mrs. Richards, new guardian for group one of the Chanayata Campfire group was guest of honor at a tea given at the home of Mrs. B. H. Jarvis last Thursday afternoon. The campfire girls and their mothers were present to meet Mrs. Richards, as were the members of the sponsoring committee of the Parent-Teacher association, Mrs. Manley, Mrs. Hildebrande and Mrs. Volz.

Men's Club Sees Olympic Movie

Members of the Methodist Men's club and athletes from the Arlington Heights and Palatine high school, with their coaches enjoyed seeing the pictures of the 1936 Olympic games presented at a special meeting of the Men's club last Thursday evening, October 19, in the Methodist church by Ralph Cannon, who was the guest speaker at the first meeting of the club this fall, and who had so kindly consented to return for this occasion.

The pictures were the official movies of the 1936 Olympics which were held in Garmisch Partenkirchen, Germany, and proved to be excellent shots of all events, including running races, hurdles, pole vaults, broad jump, high jump, javelin throw, shot-put, swimming and diving.

The pictures also included pictures of the preliminary ceremonies, and pictures of the training quarters and camps.

Probably the outstanding performer in the '36 Olympics whose pictures were shown was the colored sprinter, Jesse Owens, who won three events in sprinting, a record which has not been equaled in modern Olympic competition.

The Men's club were most fortunate in securing these pictures, for they will not be available much longer due to effect of the war on the 1940 games.

Display Flags For Navy Day, Friday

Friday, October 27 is Navy Day throughout the United States and also the anniversary of the birth of Theodore Roosevelt.

In deference to the fact that the navy is the United States First Line of Defense flags should be displayed on that date.

O. E. S. Notes

The Chapter officers invited the worthy matron and worthy patron, Lydia and Frank Hausman, to a dinner at the Orrington Hotel, Evanston, in their honor Oct. 21. Thirty-five were present. After a delightful meal, they enjoyed the evening at cards and visiting with each other. Before returning for their homes the officers presented the worthy matron and worthy patron with useful gifts.

White Elephant card party for members Thursday evening, Oct. 26. Please bring your White Elephants to the meeting and enjoy an evening at cards. No admission.

Mr. and Mrs. Vernon Sturm of Banbury rd., Scarsdale, are parents of a baby girl born on Tuesday, October 24, in the Evanston hospital. The baby checked in at 6 lbs. and 4 ounces.

Arlington Local News

Mr. and Mrs. N. K. Bar attended the fall party and dance of the Public Service Company which was held in the form of a Halloween ball at the Evanston Country club Saturday evening.

Mrs. H. E. Johnson was hostess to sixteen friends at a one o'clock luncheon at Simpson's last Friday afternoon in honor of her sister, Miss Lillian Gregory of Philadelphia who has been visiting here for the past week. Bridge was enjoyed during the afternoon, high honors going to Mrs. Robert Blackburn, Mrs. E. A. Taylor and Mrs. Eugene Heller.

Mrs. Frank Rogers entertained a group of friends last Thursday afternoon for dessert and cards. High honors at bridge went to Mrs. Lamm and Mrs. Fellingham.

Mr. and Mrs. Jack Everett motored to St. Louis last Saturday with Mrs. Toler, mother of Mrs. Everett. There they were met by other relatives from Muldrow, Oklahoma, and enjoyed a picnic dinner and reunion, and Mrs. Toler continued her journey to her home in Muldrow, Oklahoma later with her daughters, who had come to meet her. Mrs. Toler had been visiting at the Everett home since June.

Mrs. Marion Grigsby was hostess to the members of her bridge club for dessert at one-thirty last Thursday afternoon. Mrs. Walter Lane and Mrs. Arthur Mundy received awards at bridge.

Mrs. Ben Helfers attended a one o'clock luncheon at the home of Mrs. A. J. Munsterman in Bensenville last Friday afternoon.

The Beauty Broadcast

BY LAURENDA HAWLEY and MARGUERITE DAVIS
Copyright, 1939 by Franklin & Kremer

NARROW HEAD

A GAIN this autumn, hats will be small, perky affairs which reveal a great deal of hair, so naturally there must be no straggly ends or straight locks—which means that a permanent wave is almost essential. But before you get that wave, let's take a look at your hair.

Isn't it bleached from constant exposure to the sun, and aren't the ends dry and brittle? To counteract this sad state, your beauty operator will probably suggest a series of reconditioning treatments. Be sensible and accept her advice, because if your hair isn't in first rate condition, it simply cannot take the beauti-

ful, natural-looking wave you expect. And to speed the good work along, try these two simple home treatments.

First brushing, which is an absolute necessity every day in the year to remove surface dust and grime, and to keep your hair glossy. Use sweeping, upward strokes, and wipe your brush with a cleansing tissue every so often to rid it of dirt. Next, massage your scalp: place your thumbs at the nape of your neck and press them in and upward toward the base of your skull, thus stimulating circulation; repeat about twenty times. Then lift the scalp very gently, over your entire head by pressing upward with both hands simultaneously; continue this operation until you feel a distinct glow all over your scalp.

Laurenda Hawley and Marguerite Davis have written three 20 page booklets, FULLY ILLUSTRATED entitled: INDIVIDUAL HAIR STYLING CHART, showing hair styles adapted to various types of faces; DIET AND EXERCISE, telling how to get slim easily and quickly; BODY MASSAGE, showing how to be given a professional reducing massage at home. To obtain copies of any of all of these booklets, send 25c in coin for EACH booklet to THE BEAUTY BROADCAST, Print name and address.

Mr. and Mrs. W. G. Franke left Monday morning for the south and west, where they will combine business and pleasure. They expect to be gone for three or more weeks. Mr. and Mrs. Harkins, parents of Mrs. Franke are caring for their children in their absence.

Mr. and Mrs. Ray Hayes and family enjoyed the week-end in North Manchester, Indiana.

The members of Mrs. B. G. Baxter's family gathered at her home last Sunday evening to wish her many happy returns of the day. Mr. and Mrs. Kenneth Baxter of Edison Park came to enjoy the occasion with the family.

Mrs. B. A. Noyes, Mrs. Ratliffe and Mrs. Utterback attended the 7th district meeting of the Woman's club which was held at the Irving Park Christian church on Thursday, October 19. This was the celebration of the fiftieth anniversary of this organization.

Mr. and Mrs. Leslie Griffith and family have moved from North Pine ave. to the Ross home on No. State rd.

Mr. and Mrs. Jack Monroe enjoyed the company of Mr. Monroe's parents of Woodstock over the week-end.

Mr. and Mrs. James Schert entertained several friends from out of town for a four o'clock dinner last Sunday afternoon in honor of the twelfth birthday of their son, James.

Mrs. L. E. Moodie was hostess to her bridge club Thursday evening. Mrs. E. A. Taylor receiving high honors at cards.

Leona Wisersky celebrated her 13th birthday Friday evening by having ten of her friends in for a merry party. The boys and girls came dressed in Halloween costumes and enjoyed games in keeping with the occasion. Mrs. Wisersky served refreshments to make the evening a success.

The Seventh District Chorus of the Woman's club appeared on the program of the Palatine Woman's club last week. Mrs. Utterback and Mrs. Mayer of Arlington Heights are members of the chorus.

Behind Scenes In American Business

By John Craigdock

New York, Oct. 23.—Business—A chance for the unemployed or partially employed to pick up a few dollars is indicated by the sharp rise in scrap iron prices since the war. From \$15 a ton in August to \$25 or \$26 a ton today means a squeeze on profits of steel companies, which mix equal quantities of scrap with iron ore in making steel, but anyone with the time and energy to scour cellars, vacant lots or junk heaps for discarded pieces of iron or steel should be able to sell such findings to the local junk dealer at a good price.

Another effect of the war has been on carpet prices, and anyone contemplating a new rug for the home would be well advised to buy now. Although the U. S. is second only to Australia in wool production, the mild climate here makes it impossible to produce the coarse, heavy wool needed for carpets. China, involved in her own war with Japan, can ship none here. Argentina and other suppliers have had their clip embargoed because of the European conflict. Result is a looming shortage in America, already reflected in a 10 per cent increase in carpet prices since Sept. 1.

Washington — Once again the government is becoming concerned as business activity increases. Word has gone out that the Department of Commerce soon will issue a warning against over-expansion. Unless the brakes are applied to rapidly mounting inventories in hands of retailers, wholesalers, and manufacturers, some officials in the department feel, business next spring may have to coast along with several lean weeks or months while waiting for goods now being produced to be consumed. The theory is, of course, that

sustained recovery can be built only by expanding the nation's production and production facilities at a rate that keeps just a shade ahead of demand from the public which is the ultimate consumer.

Stiff Pace—Several times in the last ten years industry has stepped up production only to be thwarted by inability of consumers to match the pace. It happened toward the end of the ill-fated NRA experiment and again in the summer of 1937. When on some future day it is possible to untangle all the strands of present-day economic activity, the plight of the consumer very possibly may be traced to a tremendously increased tax burden, especially taxes of the hidden variety which are buried in the cost of merchandise the consumer is asked to buy. The extent of this tax load is indicated by a study on states taxes just completed by the National Commerce Tax Commission, whose headquarters are in Chicago. The commission found that three indirectly assessed levies—those on motor fuels, payrolls and general sales—produced more than half of the \$3,904,525,000 total tax collections of the 48 state governments in 1938.

Winter's Coming—Perhaps inspired by new Department of Commerce estimates that America spends \$750,000,000 annually for maintenance of residences, a large share of it in preparing for winter, FHA issues timely warnings that houses which have not had their regular periodic paint job may not be fortified against the ravages of the Frost King. FHA, offering funds under the Modernization Credit Plan, warns that paint which wears by "chalking" (powdering off gradually, leaving a film thinner but still protective) is to be preferred to that which peels. A first swing to aluminum paint for greater house coats and for complete barn paint jobs as weather insurance has been noted in paint sales which in late summer months soared to levels even exceeding those of boom 1937. Can a new home-improvement upswing be under way?

Things To Watch For—Another wrinkle for women's hats—plastic sheeting for a pastel, translucent rim in a summer bonnet. . . New type of high-vitamin bread, which retains the heart of the valuable wheat kernel usually disposed of by millers because it has an oil making it impossible to store flour. . . Speedometers in club cars of trains so that passengers can tell how fast they are going. . . New stenographer's "Bible"—booklet called "50 Common Typing Faults and How to Correct Them" written by world's typing champ and being circulated by a leading typewriter manufacturer. . . Super-scoop steam shovels—costing \$450,000 and having a "bite capacity" of 35 cubic yards now being built in Marion, Ohio. . . Use of the airplane in wild life preservation—the Maine Game Commission has purchased a Stinson "Reliant" plane to drop young fish from the air to stock inland streams in summer, and to transport hay and other feeds to snowbound deer in winter.

Things To Watch For—Shoes with plastic insoles which can be molded to the bottom contour of a person's foot in ten minutes, right in the shoe store. . . Increased use of oil to prevent coal dust from filtering up from home basements to the rooms above, as a result of discovery it takes only one gallon of oil to make one ton of coal "completely dustless" . . . A new fumigant for use in warehouses and railroad cars—said to have an especially low fire hazard, and to destroy insect life at all stages of development. . . A termite detector said to discover the presence of termites in a building without need for tearing out any of the timbers—it has a small, hypersensitive microphone which

New Peak—Lumber dealers and sash and door manufacturers, of which there are several thousands in the country, expect an all-time peak in sales of storm sash and prefabricated types of double glazing this winter. As a result of a national advertising and merchandising campaign promoting this type of insulation, "window conditioning," or double glass insulation, has been fast coming back into popularity with house dwellers after a period of neglect. University have interested themselves in the subject too, and a recent report by a field test laboratory of the University of Illinois shows that double-glazing will save from 20 to 30 per cent a year in winter fuel bills. This means that the cost of window conditioning can be made up in two or three years, after which the annual savings on fuel may be used to buy other things or simply may be "put away in an old sock" against the proverbial rainy day.

Headlines in New York—Department store sales for nation rise 11 per cent in first week of October. . . Plans to lend government gold holdings to Latin American nations as a trade spur are near negotiation stage. . . Industrial production in last few weeks has climbed close to 1929 levels. . . U. S. exports up 16 per cent in first month of European war. . . TWA buys five Boeing four-engine "stratoliners" for service in spring. . . World's most

powerful air-conditioning compressor, weighing four tons and occupying 21 square feet of floor space, developed by Westinghouse Electric; its cooling effectiveness is said to equal that of 200,000 pounds of ice. . . Heavy soft coal demand for steel mills and coke ovens in Midwest causes rail car shortage.

Bronze Used by Prehistoric Man
Bronze, an alloy of tin and copper, was so widely used by prehistoric man that its era is known as the "Bronze age."

Highest Natural Elevation
Mt. Everest, a peak of the Himalayas, in Nepal near the Tibet frontier, in latitude 27 degrees 59 minutes north, longitude 36 degrees 58 minutes east, is the highest natural elevation in the world computed from sea level. It rises to 29,141 feet at the summit.

Rail Tracks Mostly in Tunnels
Pennsylvania has more miles of railroad track in tunnels than on the surface.

STERLING OIL CO.

"YOUR NEIGHBOR"

It Happened Here

Our friends: At first, we were not definitely certain of our standing with the garbage collectors; the acknowledged leader, a man of middle height, was a massively built bronze replica of a Prince from Aida and he had perfect poise, walking with the superb dignity no prince could achieve with a garbage can slung over his shoulder; one hesitated to pass the time of day with so formidable a personage, even to say "thank you" or "Good morning" seemed a presumption, but persistence won and now we have one good bronze friend and include with him his co-worker, a small, wiry man with glistering ebony hair. "Yes," he said, all laid off, yesterday. We sure needed the work, but they didn't have the money, no'm. Jim, the laundry man was unpromising material, being lean and hungry looking with the most saturnine visage imaginable, not a desirable person to "lock horns with," to use his own expression; surface relations were pleasant but no more, and then trouble locked horns with Jim and the surface cracked. "My wife went to the hospital this morning—didn't know me—I if she doesn't come back, I'm leaving—couldn't stand it without her, that's all." And that was middle-aged, soured-faced Jim, but some more fortunately placed wives might well have envied the heart break in his voice. As the wife's condition improved, the friendship grew. Little Miss Tufford was our seamstress and friend no bigger than a basting thread, with her quick, sparrow-like movements and her talk of her people in "Detroit." After she has gone, the rug is strewn with pins, ravelings and threads and a smell of pressing lingers in the basement. She lives in a little house, a museum piece of the City's early days, where for more than twenty-five years she has been busy, sewing, nursing, caring for her mother and keeping house after her thread-and-needle fashion.

S'Amuser.

Aged, Blind, Dependent Children Get Assistance Payments of \$5,765,700

A total of \$5,765,700 will be paid out in October to the needy aged, the needy blind, and dependent children in Illinois, Indiana, and Wisconsin, according to an estimate made public this week and Mr. H. L. McCarthy, regional director of the Social Security Board for these states. Of this amount, which is an estimate of the combined total payments from Federal, State, and local funds, based on State reports to the Social Security Board for previous months, \$4,770,000 will go for aid to the aged; \$84,800 for the aid of the blind; and \$909,900 for aid to dependent children in approximately 38,700 families.

The October estimates indicate, according to Mr. McCarthy, that there will be about 247,000 recipients of old-age assistance, 4,480 recipients of aid to the blind, and 61,800 dependent children in 28,700 families receiving aid in the tri-state area for the month.

Local Farmers In Corn Contest

Two Mt. Prospect farmers, William F. Buesing and Albert C. Drewes, have just reported record corn yields in the 1939 National DeKalb Corn Growing Contest. Buesing's official contest yield of 131.6 bushels per acre is believed to be one of the biggest corn yields ever produced in this part of the country, and is expected not only to place him high in the county and state divisions of the contest, but among the top entries of the entire nation as well. Buesing grew the crop with hybrid seed corn, DeKalb 493, on his Cook county farm.

Albert Drewes' corn contest yield of 114.8 bushels per acre, is also outstanding in Cook county and should win one of the five master corn growers' trophies awarded to the five best yields reported in the contest.

ST. PAUL'S LUTHERAN CHURCH

J. E. A. Mueller, Pastor
Divine services Sunday, Oct. 29, begin at 10 o'clock. This is the Sunday we give thanks to God for the Lutheran Reformation of the church. The Christian Day school children will participate in the service and the Sunday school will attend.

Bible class on Thursday evening at 8.
Junior Y. P. meet Monday evening at 8.

Lutheran Hour Sundays, 3:30 over WCFL.
Next Sunday afternoon at 2:30 circuit eleven of the North Illinois District of Synod, will meet at St. Andrews in Park Ridge. All our members, men and women, are invited to attend.

FOG HIDES FREIGHT

Fog accounted for a Rand rd. accident Friday when the car of Sylvan White, Crystal Lake, rammed a freight train on the North Western Belt Line just north of Des Plaines. The car was dragged 20 feet by the train but little damage was inflicted.

Deaf Mutes' Shorthand
Deaf mutes do not have to spell out words letter by letter in their sign language—they have a well developed system of shorthand.

FORCED-WARM-AIR OIL HEATER

No Moving Parts! No Electricity!

"OUR COLEMAN HEAT IS AUTOMATIC AND SO CLEAN!"

Coleman OIL HEATERS

Open the heat reflector doors for fast warm-up heat. Close them and your Coleman becomes a 100% warm air circulator. Gives all-over uniform circulating heat.

Exclusive HEATFLOW design speeds warm air flow up to 57% faster. Even temperatures. Gives Warm Floors. Cuts fuel costs. Increases area of heated space.

Automatic fuel and draft controls. Beautiful design with cheery flame jewel window and Duroplastic finish. This heater is a beauty. Come in and see it.

About Mount Prospect

Mt. Prospect Items appearing on this page are from the REVIEW

Mr. and Mrs. Harold Meier are vacationing at Turkey Run this week.

Mr. and Mrs. A. S. Fasick have been called east by the death of Mr. Fasick's mother.

Mr. and Mrs. C. B. Bydal returned last week from a few days vacation at Turkey Run.

Mrs. Clara Carlson entertained her pinocchio club Tuesday evening.

Mr. and Mrs. J. Walsh have returned home from a trip through southern Illinois and Iowa.

Mrs. C. N. Verret entertained the Mount Prospect Catholic Women's Club Wednesday evening.

Mr. and Mrs. Paul Joost are the proud parents of a baby girl born Monday afternoon at St. Francis hospital.

The Annual Fall Dance, sponsored by the Mount Prospect Lions club will be held on Saturday, November 25. It will be held at Simmons again this year and Gilbert's Harmony Boys will be on hand to furnish the struttin' tempo.

The Mt. Prospect Lions club is having a dinner meeting Thursday evening, October 26, at Rand Tower, to which the Lionesses have been invited.

The guest speaker for the evening will be Mr. Wesley Leinweber, Superintendent of Mooseheart.

The Mount Prospect P.T.A. is sponsoring Irving the Magician, at the public school Monday afternoon, October 30 at 2 p. m. This program promises to be very unusual and is open to children and parents. There will be a small admission charge and everyone is cordially invited to attend.

The Mount Prospect Woman's Circle will meet Wednesday evening, November 1, at the home of Mrs. G. Cartwright, 316 So. Wille st.

ST. JOHN'S EPISCOPAL CHURCH

201 N. Wille St.
(Cor. Thayer Ave.)

Rev. John B. Hubbard, priest in charge. Mr. Howard Foland, Lay Reader.
Church school, 9:45 a. m.
Morning prayer and sermon, 11 a. m.

There will be a "House Warming" and "Pot Luck" supper held at the church on Friday evening, October 27, at 6:30 p. m., for members and friends of the church. For further information call Mt. Prospect 1140.

Is Your Child HANDICAPPED?

Of every ten children classified at school as backward, five are found to have defective vision. Poor grades, a dislike of school, headaches, a cross disposition, all are the direct result of deficiencies of eyesight. An unfortunate thing about defective vision is that it is often impossible to detect without a thorough examination. A fortunate thing is that almost every case can be easily corrected with a proper fitting of glasses. Your child deserves perfect vision. Have his, or her, eyes examined before school starts.

Thursday, 7 p. m. to 9 p. m.
Friday, 1 p. m. to 9 p. m.

Woman's Club Notes

Mrs. Walter Weiss will be a hostess representing the Mt. Prospect club at the seventh district's annual card party next Tuesday, Oct. 31, in the Wilson Park field house at 1:30 p. m. Tickets can be obtained from Mrs. C. G. Gallagher, 983-R, or Mrs. Weiss, 1042.

The Red Cross committee met in the home of Mrs. C. F. Pankonin, chairman, last Monday to organize for the Roll Call drive for subscription to the Red Cross. This drive will take place Nov. 10 to Dec. 1, and the committee will be located at the bank, as in former years.

Mrs. Pankonin, Mrs. M. F. Madison and Mrs. E. J. Sobwick, who will represent Prospect Heights, will visit Red Cross headquarters for instructions next Monday.

Committee chairmen are urged to attend the regional institute which takes place Thursday, Nov. 2, at the Hotel Sherman. Mrs. John L. Whitehurst, national vice president, will be the guest of honor. Conferences for the chairmen of various departments will be held in the afternoon.

Invitations to two reciprocity days have been received—the Lincoln Square Woman's Civic club this Thursday at 2 p. m. in the Paul Revere field house, and the Parkside Woman's club Wednesday, November 1, at 1 p. m. in the Woman's Community House, Hamlin and Byron aves.

Children's Hallowe'en Party

The Men's Club is sponsoring a Hallowe'en party for the kiddies Tuesday evening, October 31, and every youngster in town between the ages of four and twelve is welcome to join in the fun.

All children, in costume if desired, will meet at the soft ball diamond on Northwest Highway and Maple st. at 6:30 p. m. At 7 o'clock they will draw into formation and there will be a snake parade down Emmerson st. to the South Church grounds. It is intended to have the street lighted with flares and the parade will be led by some of the men from the Men's club carrying cat tail torches.

Upon arrival at the South Church the younger kiddies will be entertained in the basement of the church building and the older children will participate in a huge bonfire.

There will be prizes for the best costumes and applies and popcorn with a lot of fun for all the kiddies so put on your scariest costume and false-face and join the parade starting at the softball diamond.

Men's Club To Hear C. A. Perz

The Mount Prospect Men's Club will meet Friday evening, October 27 at 8 o'clock at the V. F. W. clubhouse to hear Mr. C. A. Perz speak on "Riding the Hobby Horse." Mr. Perz is a nationally known hobbyist, who is in constant demand as a speaker. He has been the speaker at the annual meeting of the Garfield Perry Stamp Club of Cleveland the oldest stamp club in the world. This organization has had speakers at these meetings numbering among them Franklin Delano Roosevelt and Carter Glass Jr. In March 1940 Mr. Perz has again been asked to be the speaker at this club's meeting and will be the first man to be honored by a second such invitation in the fifty years of the club's existence.

A collection of stamps and other hobbies valued at over \$5,000 will be displayed by Mr. Perz. Not the least interesting and perhaps the most amusing of Mr. Perz's hobbies are freak patents. Some fifty of these will be brought to the meeting and the manner in which they are presented will "bring down the house."

Be sure and come to the meeting. You can't afford to miss it.

Tea-Plant Flower as Food
Many centuries ago the flower of the tea-plant was cooked and used as food.

Roselle Dairy Herd Sets High Butterfat Yield

Alfred E. Meyer of Roselle believes in high butterfat yields and his official production figures on the herd of registered Holsteins indicate that he has many cows that are excellent performers at the pail.

Recently one of his cows, Reed, a-line Creator Netherland, completed a year with a credit of 588.9 pounds of butterfat and 15,427 pounds of milk. Another, Inka Johanna Mutual, has a credit of 643 pounds of butterfat. A son of this cow is being consigned to the Illinois State Holstein Sale. The last herd average made in the Herd Improvement Registry Test under the supervision of the College of Agriculture was 421.1 pounds of butterfat and 11,699 pounds of milk.

Conservative estimates indicate that at least 70% of the milk supply of the nation comes from Holstein cows and by far the greater part of the milk sold in the cities is Holstein milk. Much of this is mixed with other milk, but in many of the smaller cities of the country Holstein breeders are distributing straight Holstein milk and selling it at a premium above regular market price.

Platt Estate Auction Breaks All Records

The auction sale of the Platt estate, a milk south of Bloomington, grossed \$9,400, which is one of the largest sales held for some time in this part of the state. With buyers from over a radius of 25 miles, there was lively bidding and higher than market prices were the order of the day. Cows averaged \$99 apiece with the highest going for \$151. Corn on the cob brought 43¢ a bushel; oats 40¢ and alfalfa hay \$17.50 a ton. This was the first auction of Auctioneer E. L. Blocke.

Indian Visitor At Church Meeting

Mr. S. P. Abdul, a native of India, and a member of the Brahmin caste who has turned Christian, was a visitor at the meeting of the high school young people's group at the South Church last Sunday evening.

Mr. Abdul gave a short talk to the young folks telling them many interesting things about India. Because of his becoming a Christian Mr. Abdul can no longer live safely in India. He is now a Christian worker among the Hindus in California.

Refreshments were served at the close of the meeting and many of the young folks secured Mr. Abdul's autograph written in modern Transcript.

'Holy Mountains' in China

Four mountains in China are designated by the Buddhists as "holy mountains": Wu T'ai Shan in Shansi province, Omei Shan in Szechawan, Chui-hau Shan in Anhwei and Pu-to in the Chusan islands. Some of the temples on Wu T'ai Shan date from the First century, A. D.

American Legion Auxiliary Notes

Mrs. P. Gilson was hostess to the Auxiliary at her home on Monday night.

Mrs. Bailey, National Defense and Legislation chairman read several articles on National Defense.

Mrs. Hauptly reported on the 9th District meeting.

The Auxiliary made the following donations:

1. Child Welfare.

2. Auxiliary loan fund.

3. Department Treasure Chest.

4. Carton cigarettes for Hines hospital on Armistice day.

Mrs. Hauptly announced the chairman for the year:

Membership—Mrs. W. Weiss.

Publicity—Mrs. R. Storm.

Visiting—Mrs. R. Gould.

Finance and Revisions—Mrs. G. Cunningham.

Americanism—Mrs. S. Crawford.

National Defense and Legislation—Mrs. R. Bailey.

Music—Mrs. C. Bolton.

Camp Fire Girls—Mrs. G. Price.

Ways and Means—Mrs. J. Gehring.

Rehabilitation—Mrs. P. Gilson.

Mrs. Gehring gave each member a list showing the name and date each will be expected to entertain during the year.

Oct. 27 "Navy Day"

At the close of the business meeting, games were played and prize was awarded the best costumed lady. There were several prizes for the games played and everyone had a wonderful time.

The hostess served delicious refreshments.

Mrs. Rose Eldert Northbrook, Dies After Long Illness

Mrs. Rose Eldert, wife of Northbrook police magistrate, Floyd E. Eldert, died at the Wesley hospital, Chicago Oct. 18, after a long illness.

Funeral services were held at the Werhane parlors on Saturday, Oct. 21 with Eastern Star services at 1:15 p. m. by a member of Golden Rod Chapter No. 205. Services followed at the Presbyterian church at 2 o'clock, thence to Ridge-wood cemetery.

Judge and Mrs. Eldert, their two sons, have made their home in Northbrook for over eleven years and they have made many friends who express their most heartfelt sympathy for the bereaved husband and sons, Robert and William.

Pfingsten Finds Returns In Cook County Better Than In Nebraska

Emil & Hilda Pfingsten and son Frederick returned Saturday from a 10 days vacation in Nebraska, where they visited friends and relatives. While they were there they attended the funeral of Charles Beebe, 74 years old, who was born in Rodenburg and moved to Nebraska when five years old. His mother was a Louise Freise related to the Freise's in Schaumburg.

The Nebraska farmers are not getting the crop returns the Cook county farmers are enjoying, although crops in the west were fair in spite of the dry weather. Emil thinks Illinois is all right for farmers.

Palatine Firemen To Eat Fish From California

David C. Talbot of Palatine township is out in California and has had some good luck fishing.

Chief W. R. Comfort of the local fire department received a wire from him Wednesday morning stating that he was shipping home to the fire fighters enough fish for the whole department.

How's that for a neighborly spirit and sharing your good luck with the other fellow?

How THE DAVIDSONS LICKED THE 4 BIG JOBS — WITH GAS!

"GAS CERTAINLY HELPS MAKE LIFE EASY FOR US"

"RIGHT! IT SAVES TIME, WORK AND MONEY BESIDES!"

"Things weren't always so pleasant for us, no-siree. For between our furnace and cooking cares, and our hot water and refrigeration problems, we had 4 big jobs staring us in the face every day... all day. But that's all past,

now. The way Gas has licked those 4 big jobs is nothing short of a miracle.

Millions of smart folks are getting wise—they let gas do the 4 big jobs... automatically and inexpensively."

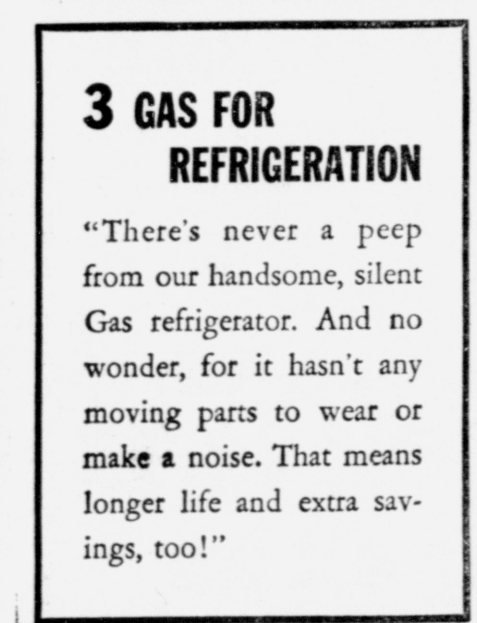

1 GAS FOR WATER HEATING

"No more waiting, watching or disappointments now that we've got an automatic gas water heater. Just a turn of a faucet gives us plenty of piping hot water—instantly. Always ready, day or night, for a hundred and one household uses."

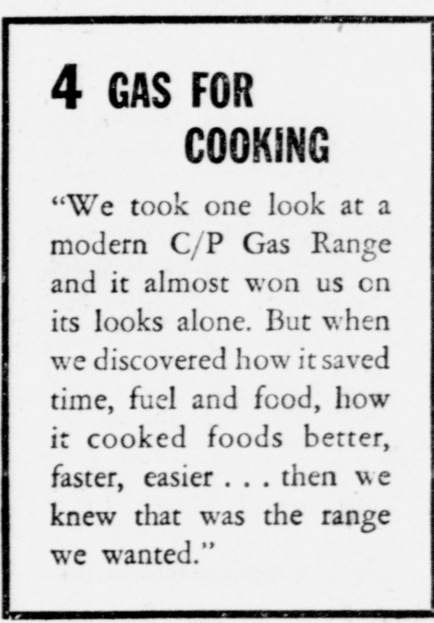

2 GAS FOR HOUSE HEATING

"We've said goodbye to furnace cares... thanks to clean, carefree Gas Heat. No more shoveling or worry—no ashes to haul—no soot or dirt. We fire the furnace from the easy chair by merely adjusting a thermostat on the wall."

3 GAS FOR REFRIGERATION

"There's never a peep from our handsome, silent Gas refrigerator. And no wonder, for it hasn't any moving parts to wear or make a noise. That means longer life and extra savings, too!"

4 GAS FOR COOKING

"We took one look at a modern C/P Gas Range and it almost won us on its looks alone. But when we discovered how it saved time, fuel and food, how it cooked foods better, faster, easier... then we knew that was the range we wanted."

For complete information about Gas equipment for house heating, refrigeration, water heating and cooking, get in touch with your

This Week in Wheeling

LUCILE SCHNEIDER, Editor

Phone 40

Miss Marcella Johnson was one of a delegation of three students from Arlington Heights high school to attend the Illinois Home Economics Association convention held in Chicago last week-end. On Friday they attended meetings in the Palmer House and on Saturday the convention met at Carson Pines for luncheon and a style show.

The Mesdames Edw. Gieske, J. Bailey, W. Wiest and L. Somers were entertained at luncheon at the home of Mrs. Gieske's sister, Mrs. A. Welter in Chicago last Tuesday. In the afternoon they enjoyed a game of bowling.

About 25 young people enjoyed a hay rack party sponsored by the Presbyterian Y. P. club last Friday evening. The weather did not prove so favorable and periodic showers dampened the party except in spirit. Roasting wieners at a shelter house fireplace helped them dry off after the ride.

Friday readers of the Herald are reminded of the card and bunco party being held in the community gym sponsored by Wheeling Camp R. N. A. The party will be progressive with games of 500, pinocle and bunco. Good eats, good prizes at the low fee of 25c should insure a good time for all.

The Wm. Bank family of Chicago called on the Gisselbrechts on Sunday afternoon.

Thirty Wheeling bowling fans are playing at Mt. Prospect alleys again this season on Wednesday evenings from 9 to 11 p. m. Their total scores for 3 games last week were: Art Laurance 526; E. Dahm 423; C. Moeller 453; L. Tesch 437; J. Mayer 403; A. Miller 463; Wm. Laurance 463; J. Bailey 373; Laura Lesch 481; M. Balling 453; H. Mayer 422; A. Groves 469; J. Bollmore 472; F. Cargill 442; Mildred Weiler 400; C. Weider 441; H. Dahm 407; H. Schmidt 489; J. Forke 384; R. Kruse 392; F. Schmidt 376; L. Ritter 386; O. Bailey 352; A. Clesen 446; R. Hartman 389; Helen Laurance 295; J. Neagles 425; E. Fassbender 265; P. Cargill 239; Marian Weller 335.

Miss Adeline Schneider spent the week-end with relatives in Chicago.

All those who were pupils of Wheeling school in 1892 under the principalship of Mr. J. N. Ade and any others who were acquainted with Mr. Ade during his stay here are invited to attend an open house reunion in his honor at the John Stryker home in Deerfield next Sunday afternoon and evening, Oct. 29th. Mr. Ade remained a teacher in the elementary grades throughout his career by his own choice. His later schools were in Pennsylvania, where he reached the retirement age of 70 years, a short time ago. At present he has been visiting in Chicago while debating where to locate permanently. He plans to spend this winter in the south. Arrangements for this get-together are being made by Miss Minnie Stryker, and her brother of Deerfield and Mrs. Charles Balling Sr. of Wheeling.

Rev. D. C. Morrison participated in the installation service of Rev. Harry P. Lundell as pastor of the Northbrook Presbyterian church last Sunday afternoon. Rev. Lundell comes to the Presbyterian church denominations from the Evangelical Lutheran church.

The Ways and Means Committee of the P. T. A. are planning for a big night on Friday evening, Nov. 10, when they will hold a White Elephant Card Party and Box Social in the school gym. All players

are asked to bring a "white elephant" (some surplus article from your household), which will insure a prize for everyone. Other valuable prizes will be awarded to the players with the highest scores in each game. Ladies are asked to bring box lunches packed for two which will be auctioned off by a first class auctioneer. Admission for the evening will be 25 cents. Watch for more detailed announcements.

Mr. and Mrs. J. Rascher of Wauwatosa, Wis., were callers at the Morrison home on Sunday.

Mr. and Mrs. Hy. Mantey are new tenants in the flat recently vacated by the Buchers.

Mrs. August Pieper and Miss Elsie Pieper were guests at the wedding of their grandson and nephew, Mr. Robert Pieper, in Chicago, the last Saturday evening of September. The ceremony was performed in church, after which the wedding party were guests of the groom's parents, Mr. and Mrs. Gus. Pieper, at a delicious dinner served in a nearby restaurant. The young couple are at home at 61st and Stewart in Chicago. Robert is acquainted in Wheeling having spent a number of vacations here as a boy. He is now an ambitious young man, employed by the Chicago Surface Lines and we wish him much success in his new home.

Mrs. Emma Grewe entertained her card club last Tuesday. Lucky players for the evening were: Mrs. A. Fassbender first; Mrs. W. Laurance second, and Mrs. Lindquist, who took the booty.

Mrs. A. Pieper accompanied her daughter and husband, Mr. and Mrs. John Keil of Maywood to Grayslake last Saturday, where they enjoyed the evening playing cards with friends.

Presbyterian Church

Morning worship 10:55 o'clock a. m.

Sunday church school 9:30 a. m. Classes for all ages. All are welcome.

Wednesday evening, Nov. 1st. Regular meeting of the young peoples club.

Sunday, Nov. 5, 3 p. m. North Suburban fall Young Peoples Rally at Northbrook.

News of Yesterday...

30 Years Ago — 1909

FRIDAY, OCTOBER 29, 1909

Arlington Heights

Born Oct. 22 to Herman Rhake and wife, a daughter.

Wm. Hinz and wife had their little son christened Embert Oct. 17.

Mrs. Carpenter and daughter of Chicago visited her parents, Mr. and Mrs. Fred Gieske Sunday.

Mrs. Mary C. Dyas has been sick the past two weeks, but is improving.

Many friends will be sorry to hear of the death of Cleon Skinner who died recently in Ohio.

Miss Alma Schoenbeck celebrated her birthday Monday with a party of friends at the home of her aunt, Mrs. Wm. Meyer.

Mr. and Mrs. Ralph Hinz, who have been visiting her sister, Mrs. Fred J. Bradley and family and other friends returned to their home in Wisconsin Tuesday.

The Stevensons will move Nov. 1 into their own home, the new bungalow cottage with all modern improvements.

Palatine
Mrs. Emma Reynolds has been visiting in Berwyn, Ill.

Misses Alma Wickersheim and Christine Ludolph of Chicago spent Sunday at Will Beckmann's.

Chas. Wente was surprised by a number of his friends with their ladies Sunday evening in honor of his birthday.

Joe McCrate of Columbus Grove, Ohio, visited old Palatine friends over Tuesday evening. He was former operator at the depot, leaving here five years ago.

The many friends of Miss May Johnson will be shocked to hear of her death Oct. 12. She was the only daughter of Solon and Jeanette Johnson for many years residents of this place.

Roselle
Mr. and Mrs. A. Troyer are entertaining company from Kansas.

Auz. Pfortmiller helped Mr. Voighmann unload his carload of furniture.

Miss Alma Rickert was married to Edward Linnemann of Palatine Sunday.

Mrs. R. F. Sherring spent a week visiting friends at Palatine, Arlington Heights and Mount Prospect returning home Saturday.

Nation-Wide Lutheran Hour Broadcasts Resume Oct. 29

ST. LOUIS—(Special).—The Lutheran Hour, featuring the sermons of the noted theologian, Dr. Walter A. Maier of Concordia Seminary, will be resumed Sunday, October 29, over a coast-to-coast network of 81 stations.

An advocate of Christian life founded on the Scriptures, Dr. Maier

Walter A. Maier, Ph. D.

has gained wide recognition for his implacable opposition to atheism, Communism and other anti-religious doctrines. The Lutheran Hour, whose declared purpose is to "bring Christ to the Nation," is credited with the widest distribution of the cross in the history of religious evangelism, half a million miniature gold crosses having been mailed to listeners. Devotional and other religious literature and symbols also have been widely distributed.

135,000 Letters from Audience
Last fall and winter the Lutheran Hour received 135,000 letters from

listeners as a result of 26 Sunday afternoon broadcasts. The total one week was 10,000 letters, representing persons of many denominations and including clergymen of other churches.

As a result of his broadcasting activities since 1931, Dr. Maier has become the spiritual confidant of thousands of persons lacking church connections. His correspondents have included the governors of several states, a leading Hollywood executive, an industrialist with a "front-page" name, prisoners in several penitentiaries, a 17-year-old girl who had never been to church and wanted to know what clothes to wear, and miners, soldiers, forest rangers and others in isolated places far from any church.

Graduate of Boston University, Concordia Seminary and Harvard, Dr. Maier is a full-time professor at the seminary. His Lutheran Hour activities are carried on in his leisure hours with the assistance of a large staff of volunteer workers who, like Dr. Maier himself, are compensated only by the satisfaction gained from participation in one of the great evangelistic enterprises of all time.

Noted Choral Singing

Resumption of the broadcasts will also mark the return of two favorite spiritual choral groups—the Lutheran Hour Chorus and the St. Louis A Cappella Choir. The Lutheran Hour Chorus is composed of 30 voices selected from the nationally-known Concordia Seminary Students' Chorus, and the choir is a mixed chorus of 55 voices whose annual concerts have been heard in many cities. Both groups are trained and directed by the distinguished choral master, William B. Heyne.

The program will be broadcast twice each Sunday for 26 weeks—one group of stations being on the air from 1:30 to 2 p. m., New York time, a second group from 4:30 to 5 p. m., New York time.

Civic Opera Season To Open Saturday

A week of stellar performances will usher in the Chicago City Opera company's 1939 season, which runs for seven weeks in the Civic Opera House, Chicago. The opera for the opening night, on October 28, will be a revival of "Boris Godunoff," with Ezio Pinza in the title role.

Giordano's masterpiece based on the story of the famous French poet, "Andrea Chenier," will be the first opera on the Monday night subscription series, on October 30. Armand Tokatyan will sing the title role and enact the part of the poet who was condemned to death for his aristocratic connection, in spite of his liberal views and sentiments. With him in the cast are Rose Bampton as "Madeleine," Ada Paggi, Carlo Morelli, and Giuseppe Cavadore.

Verdi's "La Traviata" is scheduled for Wednesday night, November 1, with Helen Jepson as "Violetta," Tito Schipa as "Alfredo," and John Charles Thomas as the "Father."

The first opera on the Board of Education Series, presented at popular prices every Thursday night of the season, will be "Aida," the most spectacular of all operas. Rose Bampton sings the title role; Elen Longone (Eleanor LaMance) that of "Anneris," and Kurt Baum, noted Viennese tenor, makes his debut as "Radames." Others in the cast include George Czapliski, famous Polish baritone, and Virgilio Lazzari. The Littlefield ballet contributes the spectacular dancing which is a part of the opera.

"Barber of Seville," Rossini's comic opera, will be presented on Friday night, November 3, with Hilde Reggiani singing "Rosina." Miss Reggiani made her American debut in Chicago last year, and has recently been signed by the Metropolitan opera to sing in New York this year.

Grace Moore, famous soprano, sings "Louise" for the first time in Chicago on Saturday afternoon, November 4. With her in the cast are Charles Kullman as "Julien," Maria Claessens as the "Mother," and Leon Rother as the "Father."

"Faust" will close the first week of opera, on Saturday night, November 4. Helen Jepson is the "Marguerite," Armand Tokatyan, the "Faust," and Ezio Pinza, the "Mephistopheles." George Czapliski and Anthony Marlowe are others in the cast. Mr. Marlowe, tenor, has an unusual role in the opera. The part of "Siebel," the young lover of "Marguerite," has always been sung by a mezzo-soprano, although it was originally written for a tenor. Mr. Marlowe takes this role here on November 4, thus returning to the original form which Gounod intended.

Seats for all performances are on sale now at the box office of the Civic Opera House, 20 North Wacker drive, Chicago.

Believing that film audiences will welcome a gay respite from the pressure of present-day living, Walter Wanger has produced a diverting story of college love in "Winter Carnival," which will open at the Catlow Theatre on Sunday.

"With economic and war-threat pressure bearing down from every quarter, much of our screen fare has become heavy, 'Producer Wanger states.' In 'Winter Carnival' we have turned out a picture that will make people forget their troubles. We chose a New England setting for its colorful background, and the Dartmouth yearly sports-social event for the theme because the latter is the nation's one spectacular outdoor fete that is staged entirely by young men full of pep. Also, this event draws as guests one of the most attractive groups of young ladies assembled. Hundreds of them from throughout the East attend each carnival."

Secret bomber vanishes! Enemy spies under suspicion as huge plane disappears during test flight! And the star of "Wuthering Heights" and the unforgettable doctor of "The Citadel" join forces to destroy a savage enemy in one of the grandest love-and-laugh films of the year.

In Columbia's "Clouds Over Europe" romantic comedy drama of espionage as it roars from the front pages, Laurence Olivier and Ralph Richardson come to the Catlow Theatre screen on Wednesday and Thursday with lovely Valerie Hobson as the feminine interest. Olivier is seen as an heroic test pilot whose bomber vanishes into nothingness; Richardson as a Scotland Yard sleuth trailing his nation's enemies. Miss Hobson is cast as a sob sister assigned to investigate the air mysteries which have stunned the world.

Cagney and Raft, Screen's Toughest Killers, Clash In "Each Dawn I Die"

The outstanding toughies of screen history, James Cagney and George Raft, are teamed in "Each Dawn I Die," a Warner Bros. picture dealing realistically with life in a big prison which plays this Friday and Saturday at the Palatine theatre.

It is a frank, grim, brutal and tremendously exciting story to which these two premier bad men of the screen have lent their talents, and if they were tough before, they are veritable hell cats now. Each in his own way outdoes everything in the line of vicious characterization he has ever done before.

One of the outstanding Broadway stage successes of last season, which bids fair to be even more successful as a motion picture, comes to the screen of the Palatine theatre Sunday, Monday and Tuesday in the picturization of "On Borrowed Time."

The simple story of an old grand father who fights Death in order to prevent the young grandson whom he adores from falling into the clutches of a scheming and unscrupulous aunt, "On Borrowed Time" presents Lionel Barrymore in one of his finest characterizations.

Bobby Breen's latest photoplay, "Fisherman's Wharf" is enhanced with a picturesque background, a thorough story and a supporting cast of seven of Hollywood's most capable performers. Added to this is the music of Victor Young and Frank Churchill.

It appears at the Palatine theatre on Sunday, Monday and Tuesday.

"Iron Mask" and "Stanley & Livingstone" Are Week-end Hits At Des Plaines

Heading the double feature attractions now at the Des Plaines Theatre is "The Man in the Iron Mask," the Alexander Dumas Classic starring Joan Bennett and Louis Hayward, and featuring in its able cast, Warren William, Alan Hale and Joseph Schildkraut. Jane Withers in her latest harum-scarum comedy, "Chicken Wagon Family," completes the double bill which finishes its three day run on Saturday night. A treat for the children is the annual Halloween party Saturday afternoon. There will be free candy, masks, autographed movie star photos, costume contests, prizes, and a Yo-Yo contest with a beautiful bicycle as grand prize.

On Sunday, "Stanley and Livingstone" starring Spencer Tracy, Nancy Kelly and Richard Greene opens for a three day run, double featured with "Coast Guard." Randolph Scott, Frances Dee, Ralph Bellamy and Walter Connolly are the featured players in the latter film.

The "Scorton Arrow"

The "Scorton Arrow" originated in the Seventeenth century, when a group of archers in the village of Scorton created the contest. They awarded not only the arrow but also a "captaincy" to the first man scoring a bull's-eye in the contest. A silver bugle and "lieutenancy," a gold medal and a horn spoon were other prizes, says the Washington Post. Though the first written record of the "Ancient Scorton Arrow" is dated 1673, the contest is believed to be much older. But figuring just from the first known date, the arrow is still archery's most ancient award.

Believing that film audiences will welcome a gay respite from the pressure of present-day living, Walter Wanger has produced a diverting story of college love in "Winter Carnival," which will open at the Catlow Theatre on Sunday.

"With economic and war-threat pressure bearing down from every quarter, much of our screen fare has become heavy, 'Producer Wanger states.' In 'Winter Carnival' we have turned out a picture that will make people forget their troubles. We chose a New England setting for its colorful background, and the Dartmouth yearly sports-social event for the theme because the latter is the nation's one spectacular outdoor fete that is staged entirely by young men full of pep. Also, this event draws as guests one of the most attractive groups of young ladies assembled. Hundreds of them from throughout the East attend each carnival."

Prospect Heights

Nan Rauen, Editor.

Mr. and Mrs. Hans Nelson left early Friday morning accompanied by Miss Marvel Nelson of Chicago, sister of Hans, for Albert Lea, Minnesota in order to visit Mr. and Mrs. Nelson Sr. and to attend the silver wedding anniversary of Mr. and Mrs. Oliver Nelson, oldest brother and sister-in-law of Hans and Marvel. After a very pleasant time at the regular family reunion, the folks journeyed on to Iowa where they visited other relatives and friends.

Before returning home Mr. and Mrs. Nelson visited another brother and sister at Austin, Minnesota. The folks returned home late Thursday night to enjoy a few very pleasant days working around their own home before Hans returns to work next Tuesday.

Wednesday, last, Mrs. Nelson journeyed into Chicago and enjoyed the day shopping before attending her pinocle accompanied by Mr. Nelson.

We are glad to report that Mrs. Tom Underwood is now able to be up and around a little after her serious illness. It was a pleasure for her to attend Sunday school services last Sunday at the home of E. B. Foxworthy.

Mrs. S. Miller and her neighbor, Mrs. Hoffman, drove into Chicago Thursday and enjoyed the day shopping.

Mr. and Mrs. H. Swart of Rochester, New York, are at present visiting at the home of their daughter and son-in-law, Mr. and Mrs. Joseph Orase.

Mrs. Russell Foxworthy surprised Mrs. John Deutsch Jr. last Wednesday when she gave a stork shower for her. Among the guests were Mesdames John Deutsch Sr., and Mrs. Ludyard of Chicago, also Robertson, Hartke, Schwensen, Spillar, Greene, Ledyard, also little Holly Hartke, Linda Lou Foxworthy, Charlene Ledyard, Nancy Schwensen and Bruce Spillar, all of Prospect Heights. Mrs. Barry and Mrs. Sobick were unable to attend the gathering on account of previous engagements. Mrs. Deutsch received many useful gifts.

Mr. Emmet Garden entertained the directors of the Credit Union of Evanston post office of which

Mr. Gorden is secretary, last Friday. The nine men who were present enjoyed a very pleasant evening. Mrs. Gorden served an evening lunch.

Mrs. Joseph Orose has little Miss Snell visiting with her while Mother Snell is confined at the hospital.

On Friday evening Mr. and Mrs. Dan Robertson accompanied by Mr. and Mrs. Jim Nielsen, attended the Engineers club dinner which is given annually for the members wives at the Sportsman Country club. It goes without saying that the folks had a really grand time.

We regret that Mrs. Wolff, mother of Mrs. Russell Foxworthy, has been very sick, making it necessary for Laverne to drive into Chicago daily.

Saturday evening Dan and Emma Robertson enjoyed the company of Mr. and Mrs. Wm. Schetko, Jr., Miss Bertha Schetko, brother and sister of Emma, also Mr. and Mrs. Lutzow. The folks enjoyed playing cards and Emma served a midnight lunch.

The few folks from the community who attended the dance over at the school last Saturday, report a large crowd and a really marvelous time.

NATIONWIDE SPORT NEWS

Mac Says

by GERALD A. MC ELROY

We did not do a very good job of picking winners last week, getting but three out of six for .500. Our record to date is 15 winners, 6 losers, and 3 ties for a .714 record.

The results of the week proved the statement that the new Northeast Conference is a very tough league of evenly matched teams. Leyden's 6-0 defeat of the leading Arlington team has made the grid race a wide open affair with a chance to win or tie for the title with but two weeks of play remaining.

May Decide Championship

Right now it appears that the winner of the Lake Forest-Crystal Lake game this coming Saturday will win the championship but both teams have tough opponents in Libertyville and Leyden the following week. If Lake Forest wins Saturday they will have an undisputed title by beating Libertyville the following week or no worse than a tie for the title should they lose. Right now the Scouts have three victories and a tie. If Crystal Lake wins Saturday they will jump into first place and can stay there by winning at Leyden November 3. The Lakers have suffered only one defeat.

Still in the Running

Leyden and Arlington tied in the third position with two victories, a tie and a defeat can tie for the top by winning their remaining games and in case Lake Forest drops one or both of their two contests. Their chances are less because they not only must win but must depend upon some one else beating the Scouts.

Only a Remote Possibility

Libertyville and Niles have a mathematical chance of finishing on top but they have to be favored plenty to do it. Their chances depend upon Crystal Lake beating Lake Forest Saturday in the first place. Then Leyden would have to beat Crystal Lake while both the Trojans and the Wildcats were winning both their remaining games. That either should rise to the top is a remote possibility since if Libertyville loses to either Leyden or Lake Forest their chance along with that of Niles is gone. Personally we feel sure that Libertyville will lose one and possibly both her remaining games.

They are Tough to Pick

At the start of the season we picked Crystal Lake to win the title and we still like their chances. They did not look very impressive against Warren last week, but some of their injured veterans may be back to help in the critical games ahead. The game at Crystal Lake Saturday headlines the Northeast schedule. Lake Forest will be the favorite for we pick the Lakers. Arlington's invasion of Niles will decide the fate of both teams. Niles has been playing great ball of late and right now is the best team in the league according to the coaches. Arlington will probably come back fighting mad after the surprise beat at Leyden. It ought to be a grand game. Would not surprise us if it ended in a tie and thus eliminated both teams but we are picking Niles by one point in as much as Arlington has a badly crippled ball club, according to the reports. At Libertyville we pick Leyden by the closest of margins and favor Warren in another close one involving Woodstock at Gurnee.

Bensenville Piles Up 60 Pts. In '6-Man' Game

Agility, Less Weight Proves Important In New Grid Play

Bensenville turned the six man football inaugural into a track meet last Friday as they handed Harris school of Chicago a 60-7 trouncing. Coach Kirby used three teams and every one contributed to the rout. Seven different boys scored touchdowns for the Bisons who held a 36-7 lead at the half.

Bensenville scored four touchdowns on passes and five on end runs. Most of the scores were made on plays netting 30 or more yards. Speed and skill in ball handling proved to be twice as important as in the 11 man game. Harris had heavier boys, but their weight was a disadvantage.

Jack Thomas, halfback, was the outstanding player in the game. He showed unusual open field running form for a boy playing his first season of football. All the Bensenville boys had drive and tackled and blocked well, but the class of the opposition was perhaps too poor to be a fair test.

Saturday at 2:00 p. m. Bensenville will take on Shabbona in what should be a closely contested game. The latter school has played about five games of six man football this fall and will be sufficiently experienced to give the Bisons a real test. Harris had played the game only a week and was clearly not prepared to meet tough opposition.

Niles Downs Wildcats, 21-7 at Homecoming

Lake Forest Only Team Undeclared; Beats Woodstock, 14-0

Niles opened up a power attack at Libertyville Saturday and ran rough shod over the Wildcats to spoil their homecoming celebration by a score of 21-7. The victors piled up 14 first downs to five for the losers.

Niles scored twice in the second period. Heininger scored the first touchdown after a sustained drive and Field kicked the extra point. The second came on a 45 yard drive following a blocked punt with Warner scoring and Field again converting from placement.

Libertyville scored their lone touchdown of the game late in the second period when Wrast heaved a 50 yard pass to Miller. Wrast passed to Brown for the extra point.

Midway in the last period Niles marched from their own 30 yard line down the field 70 yards for their third touchdown. The score was made on a pass from Heininger to Faust from the 13 yard line. The game ended with Niles on Libertyville's eight yard line trying for another touchdown.

For Niles Breitenbach in the line and Heininger, Baumgardt and Warner in the backfield were outstanding. Whammond in the line and Paul Brown in the backfield starred for the Wildcats.

Scouts On Top

Lake Forest put across two touchdowns in the second half to beat Woodstock Saturday 14-0 and remain the only undefeated team in the Northeast conference. A victory Saturday at Crystal Lake would assure the scouts of no worse than a tie for the title even should they drop the final game with Libertyville.

Woodstock halted the Scouts successfully in the first half though Lindenmeyer's eleven on two occasions reached the 10 yard line. In the third quarter a scoring drive was launched from the Woodstock 42 yard stripe when ended with a pass from Cascarano to Lohman for the touchdown. Lindenmeyer's place kick for the extra point was good. Midway in the last quarter Lohman intercepted a Woodstock pass in midfield and lateraled to Ambler who ran all the way to the 17 yard line. Four plays later Lake Forest had scored on a pass from Ambler to Lindenmeyer. Lindenmeyer again converted.

Leyden Upsets Arlington Cardinals 6-0

Warren Leads 6-0 Until Crystal Lake Rallies In Last Quarter To Win, 13-6

Warren almost upset the highly rated Crystal Lake eleven Saturday but the Tigers came back strong in the last 15 minutes of the game to overcome a 6-0 lead and win 13-6.

Three tumbles in the first two minutes of play found Warren in possession on the Crystal Lake 30 yard line. Hard running and a short pass took the ball to the 11 yard line for first down. Crystal Lake's defense stiffened and held the visitors to three yards in three downs but on fourth down they sevens to go Kennedy dropped back to pass, changed his mind, and ran around left end for a touchdown.

Crystal Lake threatened early in the game when a 20 yard run by Osmun and one for 30 yards by Vynalek took the ball deep in Warren territory, but a fumble on the eight yard line with fourth down and a foot to go nullified the scoring opportunity.

Late in the third period Crystal Lake's weight and reserve strength began to tell and reverse and off tackle plays penetrated deep into the scoring zone. Vynalek finally scored and Selzer kicked the point. In the final minutes of the game the Lakers put across a second touchdown after a fumbled punt gave them the ball on the Warren 37 yard line.

Vynalek's ball carrying for the winners and that of Kennedy for Warren stood out.

Lineups:

Crystal Lake (13)	Warren (6)
Krause	Doyle
Davis	Jornacowitz

Pirates Beat Crystal Lake In Cross Country

1 1/2 Mile Race Held Between Halves of Homecoming Game

The Palatine Cross country team defeated Crystal Lake 22-14 last Saturday in a mile and one half run which took place between halves of the Lakers' homecoming football game with Warren. Vance Wilson won first place in the race for the Lakers, but the next five places were copied by Pirate runners with Cipri, B. Field, D. Field, Trepus, and Godknecht finishing in order. Wilson was winner of the Palatine Relay and State District mile events last spring. This was the second cross country victory for Palatine in a week as Bensenville was defeated last week Tuesday.

HIT-RUN DRIVER

Stanley Koserzewski, Cumberland and Higgins rd., was found in the ditch along Higgins just east of Cumberland, a victim of a hit and run driver. Luckily, cuts on the arm and scalp were the only injuries incurred.

Northbrook Beats Grant By 7-6 Score

Barrington Wins; To Play Northbrook For Conference Title

Northbrook made their first homecoming a grand success by defeating Grant 7-6 in a very hard fought game last Saturday. The victory kept Northbrook in the Northwest Conference lead.

Mackey's Northbrook boys smashed over for a touchdown early in the game on a drive which netted three first downs in a row. Klein scored the touchdown and Strauss converted. After an even second quarter the Grant team came back in the last half to outplay the home team by chalking up eight first downs. Brilliant running by Koch set the stage for Jacques to plunge off tackle for a touchdown but the try for point failed. Grant tried desperately to score the winning tally, but the Northbrook line held in the pinches.

Defeats Marengo, 19-0

Barrington registered their third victory of the season Saturday by trouncing Marengo 19-0. The Bronchos scored in the first, second, and fourth periods and generally speaking played a greatly improved brand of ball.

Soon after the opening kickoff Barrington marched down the field to score following a series of four straight first downs. Myers ran off tackle for the touchdown. From then on the game was all Barrington. Coach Clark substituted freely using in addition to his regular lineup the following boys: Barber, White, Jorgenson, Meiners, Hager, V. Zimmerman, D. Zimmerman, Eagen, English, and Moeller.

Friday the Bronchos travel to Northbrook for the game which will decide the Northwest Conference leadership. Northbrook has two victories and no defeats while Barrington has a .500 rating. The Bronchos will be out to avenge an 18-0 trimming handed them by Northbrook earlier in the season.

Barrington's lineup last Saturday which is due to get the call again at Northbrook consists of Veach, Stewart, T. Fullerton, Grueling, Hodgkin, Coe, and B. Fullerton in the line and Eagen, Long, Myers, and Farwell in the backfield.

Conference Leaders Fail To Score

According to the experts the biggest upset of the Northeast conference took place last Friday when Leyden downed Arlington in winning a 6-0 victory. But these experts failed to take into consideration the capabilities of a truly fine Leyden team. In the game against Arlington's erstwhile top ranking eleven the Eagles came about as near being a football machine as any in the league.

Blocking resolutely and tackling viciously they fought Arlington to a stand still and finally capitalized on their one big break of the game. When Arlington essayed a place kick from the Leyden 27 yard line, they promptly blocked it. Their alert fullback, Liebke grabbed the ball as it bounced on the ground and raced the 73 yards to the goal for the only score of the game.

They had really earned this break, however, for on several occasions they were on the verge of scoring only to be hurled back by a desperate band of Cardinals who seemed unable to really fight until they got their backs up against the goal line.

Gates and Liebke at full and halfback for the winners literally ripped the Arlington line to shreds. With Leyden's somewhat heavier line outchugging Arlington's they tore holes through which these backs plunged for consistent yardage.

Arlington seemed on the verge of getting somewhere on several occasions only to be held by Sam Engle's fighting eleven, or else were adjudged guilty of some misdemeanor by the officials. Two really fine runs of 30 and 35 yards by Bill Hull were nullified in this fashion. Both would have put the Cardinals in excellent scoring position.

It must be said for Arlington, however, that they were far from full strength for the game. The loss of the two best tackles in the league, plus that of a really fine end and center is enough to demoralize any team. Rosch, previously at left tackle, is gone for the season. Milligan had been sick for two days and had no business playing the few minutes he was allowed on the field. Lenke is still unable to take his place at center. Henken, regular left end, was injured in the Libertyville game and was unable to play.

On top of this Goedke, Dolinje, and Bruhnke, sub left end, had to be removed from the game because of minor injuries. It is truly a wonder that the Cardinals were able to carry on as well as they did.

Trace Color Terms to Ox
The name buff as applied to a color was derived from the word buffalo, the common ox of the Old world which differs from our American buffalo or bison. The original application of the word buff meant a soft light leather of the chamois type, commonly used for soldier's uniforms in olden days. Likewise the word tan is an ancient term referring to the color of the ox hides tanned with an oak solution.

France's Error
When France claimed a section of Antarctica many years ago, it issued a proclamation against shooting polar bears within the territory, not realizing, observes Collier's Weekly, that no land mammal of any kind inhabits these vast South Polar regions.

'Nothing Wrong In Increasing And Reducing Production At The Same Time', Says Hughes

AAA Policy and Better Farming Regulates Surplus, Lowers Cost

"A great deal of fun has been poked at the AAA program," states Farm Adviser C. A. Hughes, "because farmers are accused on one hand of using hybrid corn, fertilizer and legumes to increase their crops and on the other hand through the AAA reducing their crops. At first glance such a situation does sound foolish and appears to be working at cross purposes.

"However, we believe this is only an apparent situation and is not ac-

tually true.

"In the first place the purpose of the Agricultural Adjustment Administration is not to actually decrease production—the purpose is to stabilize production. The production of corn, for instance, in the past has varied about 20% in acreage in the corn belt depending upon the price received the year before. This variation is more than 100 times the amount of imported corn. Because of this variation in acreage farm prices have swung very violently.

"It is also felt that by carrying corn in storage in years of plenty, such as 1939, the price will not go extremely low time, such years. It may have been that corn would now be selling about one-half what it actually is were it not for storing the surplus at country points in the corn belt.

"On the other hand we do not know what another year will bring in the way of weather or insects. These stored surpluses of corn would probably keep prices from going to an extremely high figure. Imports of corn always follow high prices. Is it not better to carry surpluses from plentiful years into years of scarcity and discourage importation of corn by creating extremely high prices?"

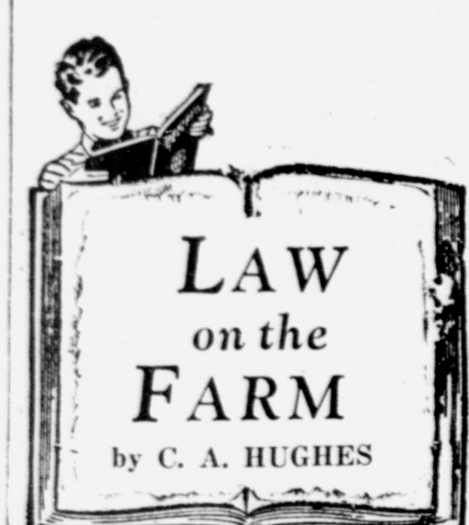

"The use of hybrid corn and fertilizer just happens to be an innovation for a better production at a time when we were beginning to think about surpluses.

"There was a time, not so long ago, when we first began to use mechanical power or tractors. This did a better job of farming and we heard the argument that farmers should stay with horses and mules.

"There was a time when horses and mules were used in the place of oxen. Better methods of cultivation to prevent weeds have come in. We might argue that any or all of these improved methods over primitive methods of corn cultivation should be used to do away with the surplus.

"As a matter of fact the Indians burned a small area of ground and with stone implements the squaws dug up a little ground and planted corn. Certainly if we would abandon all new methods of producing corn since the time of the "red skins" we would have no surplus.

"However, this is all beside the question. The more bushels of corn that can be produced per acre will result in a cheaper cost per bushel for production. Obviously, the farmer who can produce 50 bushel of corn per acre, let us say,

Farm Leases.

Every tenant of farm land in Illinois holds his farm under some kind of agreement. The agreement may be written or oral; it may be short or long; it may be valid or invalid as a written instrument; it may be adapted to his farm or it may not be so adapted—in short, it may be good, bad or indifferent so far as aiding the parties to it is concerned.

Legally, a written lease must meet five requirements: It must be signed, it must specify a definite period during which the farm is to be leased, it must contain a description of the property, it must name a specific lessor and lessee, and it must provide for the payment of rent. It needs more than these bare essentials to make it a desirable lease, however.

Tenants who do not have written leases are, in the eyes of the law, tenants from year to year. They have only such rights as they are able to prove, and many oral agree-

ments are not easily capable of proof. Many tenants execute a one-year lease at the time they rent the farm. Two or three years later, when they may be asked to move or when some other issue arises which the lease is supposed to cover, they find that, with the expiration of the year which the lease covered, they became tenants from year to year and can not now enforce the provisions of the lease.

Under a written agreement tenants are entitled only to the period of notice specified in the lease. If the land is to be vacated on immediate notice, the parties are bound by the written agreement to that effect. If the agreement is not written, or if a written lease has expired and the tenant has been holding over as a tenant from year to year, the Illinois law specifies that a notice of a lease 60 days must be given. This notice must be in writing and must be delivered within the four months preceding the last 60 days of the term. For example, if a term ends on March 1, as most farm tenancy terms do, the notice would have to be given between September 1 and January 1.

The notice period provided by law does not always protect a tenant who has done fall plowing and seeded wheat, or who has spread lime-stone or fertilizer, because it may be given after he has done the work. So far as the law is concerned, he does have the privilege of returning and harvesting the wheat or other fall-seeded grain.

The best protection for both landlord and tenant is a good written lease covering the essential points in the operation of the farm and specifying a notice period which will allow both parties to make adjustments—preferably six or eight months.

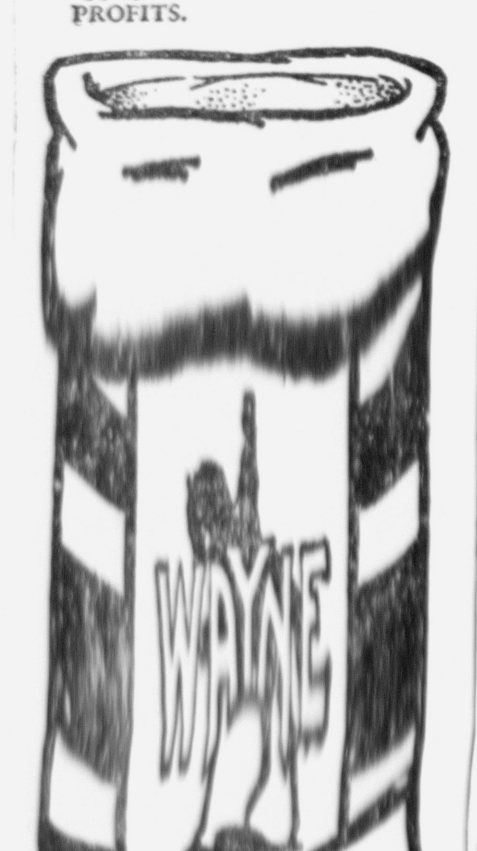

The laws of Illinois relative to farm leases may be found in the Illinois Revised Statutes, Chapter 80.

On 20 acres will have much cheaper costs than the man who produces 25 bushels of corn to the acre on 40 acres. Both will produce the same amount of corn, but the costs in one case will be a great deal less than in the other.

"We should and will produce all the corn that the country can consume and produce it just as cheaply as we possibly can. If this line of reason be correct, it is altogether proper to use improved fertilizers, higher yielding corns and to cooperate with the AAA program at the same time."

It will pay you well to feed Wayne Poultry Mash. . . . You will be sure to get high egg production and EXTRA PROFITS.
